In Mediord Thursday.

G. S. Briggs returned from Portland yesterday with his daughter that such men are able to foist who has been quite ill for some the such men are able to foist while the latter p2rt was cool and cloudless, while the latter p2rt was cool and cloudless.

The question now to be consider-ingly favorable to all vegetation; and there has been a marked growth. There is alreapy a desire for more rain to moisten the surface soil, as it has Monday that such contemptions secondrels as are now running over the county dispensive sham smiles, cigars and whisky will not hereafter dare show their vile heads in the political arena.

A FREELANCE.

making better growth than previously. Hop lice have made their appearance. Strawberries are ripening rapidly, and the crop will be a good one. Raspherries and blackberries are in bloom. The fruit crop is more or less injured in every county. In some counties the peach crop is short; in others cherries and prunes, and in others applies. The and prunes, and in others apples. The rain and frosts did the damage at the time it was supposed to have been

cooler and clouds appeared. A few local showers occured, hardly sufficient, however, to lay the dust. The maxium temperature ranged from 80 to 85 degrees. The minimum temperature ranged from 35 to 55 degrees.

The weather was extremely favorable and the statement of the statement o been in town before now to blow the fog horn right in your ears, but as it is necessary to blow just at the right time, I will have to stay right at my post and blow now. At your pleasure we will give alarm at the approach of danger, as well as the signal of good news.

The showers have left us for a time of the species of the species

first-class prospects in every county.

Corn planting is about done. Fruit has been injured more or less in most counties. The green aphis has appeared near Fossil. Apples are as large as walnuts in Wasco county, where black republican cherries are coloring. Blackberries and raspber-ries are in bloom.

The World Enriched. The facilities of the present day for the production of everything that will conduce to the material welfare and comfort of mankind are almost unlimited and the world was enriched with the only perfect laxative known, as it is the only remedy which is truly pleasing and refreshing to the taste and prompt and effectual to cleanse the system gently in the Spring time or, in fact, at any time and the better it is known the more pop-

Walter Wouldn't Compare.
