A Terse and Comprehensive Declaratio

of Vital Principles.

The People's party assembled in na-fional convention at Omaks on July 4, 1892, nominated James Baird Weaver, and adopted as its preamble and plat- ed by the convention: form the following:

Assembled upon the 116th anniversary of the Declaration of Independence the People's party of America, in their first national convention, invoking upon their action the bless-ing of Almighty God, puts forth, in the name and on behalf of the people of this country, the following preamble and declaration of princi-

ples: The conditions surrounding us best justify our co-operation; we meet in the midst of a nation brought to the verge of moral, political and material ruin. Corruption dominates the bal-lot box, the legislatures, the congress, and touches even the ermine of the bench. The wheat yield, says the Pendleton Tribune. One is reported from Jos. Wurzer's place on the foothills four miles east of Weston. Ninety acres have so far been threshed, and the grain is averaging no less than 50 bushels per acre. The quality is of course superb.

A Corvallis paper produces the figures to show that the merchants there advertise less than the business men of any other town of its size in the valley, and justly charges them with a lack of enterprise. Pushing merchants aim to make their edges cut, and it has been to the foothills four projection, and we condemn the fallacy of protecting the complete the states have been compelled to isolate the voters at the polling places to prevent universal infinity and liberal pensions to ex-Union soldiers and liberal pensions to ex-Union soldiers and allors. Resolved, That we condemn the fallacy of protecting American labor under the protecting American labor, and demand the further restriction of under the right of organization for self protection; imported pauperized labor beats down their wages; a hireling standing army, unrecognized by our laws, is established to shoot them down, and they are rapidly degenerating into European conditions. The fruits of the toil of millions are boldly stolen to build up colossal fortunes for a few, unprecedented in the history of mankind; and the possessors of these, in turn, despite the republic and endanger liberty. From the same prolific womb of the governments injustice we breed the two great characters are the present specific womb of the protecting American labor, and demand the further restriction of understrates of the voters at the policy part and reliance of the color of the effective laws against contract labor, and demand the furthe

lasses—tramps and millionaires.

The national power to create money is ap-The national power to create money is appropriated to enrich bondholders; a vast public debt, payable in legal tender currency, has been funded into gold bearing bonds, thereby adding millions to the burdens of the people.

Silver, which has been accepted as can since the dawn of history, has been demonetized to add to the purchasing power of gold by decreasing the value of all forms of property as well as human labor, and the supply of currency is numbered abridged to fatter userners.
