READ OUR PLAN.

For several years past competitions of an instructive order have been offered by reputable business houses and manufacturers in England with the object of increasing their sales and interesting their customers in their respective goods. These contests, on account of the unquestioned fairness displayed in conducting them, have interested the best people of Great Britain. Believing that competitions offered by a manufacturing concern such as ours, and not hard work to pull the woot, over conducted in the same honorable manner, would excite universal interest among the intelligent their eyes and the party lassoo over people of the United States and Canada, our Company have decided to offer a Prize Competition their necks and perhaps on the Politi- n which our first effort will be to make it STRICTLY FAIR AND IMPARTAL.
