HOME CURE FOR ECZEMA

Oil of Wintergreen, Thymol Glycerine, Etc., Used as a Simple Wash

It really seems strange that so many people suffer year in and year out with eczema, when it is no longer a secret that oil of wintergreen mixed with thymol, glycerine, etc., makes a wash that is bound to cure.

Old, obstinate cases, it is true can not be cured in a few days, but there is absolutely no sufferer from eczema who ever used this simple wash and did not find immediately that wonderful soothing, calm, cool sensation that comes when the itch is taken away. Instantly upon applying a few drops of the wash the remedy takes effect, the itch is allayed. There is no need of experiment—the patient knows at once.

Instead of trying to compound the oil of wintergreen, thymol, glycerine, etc., in the right proportions ourselves we are using a prescription which is universally found the most effective. It is known as the D. D. D. Prescription, or Oil of Wintergreen Compound. It is made by the D. D. D. Compound Company of Chicago, and our long experience with this remedy has given us great confidence in its merits. Medford Pharmacy.

ASQUITH WILL NOT RESIGN

Uproar Over Motion to Reject Budget Will Not Lead to the Resignation of the Premier.

(United Press Leased Wire)

LONDON, Nov. 18.—Premier Asquith, according to the present determination of the government, will not resign with the cabinet, even if the lords do overthrow the budget.

Neither will the government alter the budget.

The Liberals plan to "stand pat" and play for popular favor by daring the lords to overthrow the commons. If the lords persist, Premier Asquith may threaten the creation of enough new peers to pass the measure, or he may go to King Edward and ask his consent to the budget, ignoring the lords.

FEAR FOR LIFE OF COL. ASTOR

Has Not Been Heard of for Nearly Two Weeks—Believed He Is Lost in Southern Tornado.

(United Press Leased Wire)

NEW YORK, Nov. 18.—Every coast station of the United Wireless-Telegraph company is today trying vainly to locate the Normandale, the painted yacht on which Colonel John Jacob Astor and his son, Vincent, have been cruising in West Indian waters.

Nothing has been heard from the vessel since the gale of a week ago, which swept Jamaica, and Mrs. Astor, who secured a divorce from her husband on November 8, fears that the vessel was unable to weather the storm.

Colonel Astor has not been in communication with New York for 12 days, and it is very probable that the outcome of his wife's divorce has not reached him.

Fearful that her son and divorced husband have met with disaster, Mrs. Astor is still in this country and will not leave for Europe.
