MUSICAL TREAT WEDNESDAY EVENING

Shubert Symphony Concert Company Will Appear Soon at High School.

The concert, which will be given Wednesday evening by the Shubert Symphony Orchestra and Ladies' Quartette, under the auspices of the Medford high school, promises to be the best musical treat of the season.

This company has played to crowded houses all along the line and without an exception, has scored a wonderful success. Medford, Eugene and Salem are the only cities outside of Portland to obtain their service and it was only by special inducements they consented to play here.

The company now is in the twentieth year of its organization. In the east it is one of the most popular organizations and on the coast is also well known.

The company has with it this year Anna Pearl Weatherington, the famous violinist, and Thomas Purcell, conceded to be the best American violinist. The ladies quartette is the best in the world.

R. F. Pennell, principal of the California State Normal, says: "It is the universal verdict that it was the best all-around entertainment we have ever had."

W. O. Gorman, secretary B. P. O. E. Pasco City, Miss., says: "The singing of the ladies' quartette was simply enchanting, and the violinist was a true artist."

"Two most enjoyable musical entertainments were given at the Y. M. C. A. hall Saturday afternoon and evening by the Shubert Symphony Club and Ladies' Quartette—one of the most talented organizations that has visited the ancient capital for a long time."—Quebec Chronicle, Quebec, Canada.

"The quartette was good and its selections were especially acceptable as they were new to this city."—Chicago Record-Herald.

"The concert by the Shubert Symphony Club and Lady Quartette was most enjoyable and the audience enjoyed every number. It was excellent. That is all we can say for it."—San Francisco Call.

The Salem papers and the Eugene papers, too, recommend it highly. Tickets on sale at Haskins tonight.

RAILROADS PLAN TO MAINTAIN A LOBBY

WASHINGTON, Dec. 14.—A railroad lobby, with instructions to defeat all of President Taft's proposed legislation relative to the Hepburn act, will be in full operation soon. It is intended to bring all possible pressure to bear upon senators and representatives to prevent any effective railroad legislation at this congress.

Three or four presidents of big railroad lines are expected to arrive here before the end of the week and make such representations to their friends in congress, as will convince them that the president's course is unwise. In connection with their visit they will make arrangements to maintain a force of trained assistants here to keep the situation well in hand. This lobby will be assisted by every corporation having a representative in this city.

ATTEMPTS TO MOVE LIVE WIRE IS ELECTROCUTED

SAN FRANCISCO, Dec. 14.—In an attempt to remove a live wire from the street where it had fallen, Special Officer Theodore T. Canham of 2207 Union street was electrocuted early today.

The accident occurred at the corner of Millmore and Lombard streets. Canham, while on his way home, discovered a crowd watching the hissing wire. Believing that his gloves would protect him from the deadly electricity he grasped the wire and was hurled several feet away.

He was picked up and hurried to the receiving hospital but died while en route.
