ORDINANCE NO. 268. An ordinance assessing the property adjacent to and benefited by the six and eight-inch lateral sewer constructed along Pine street for the cost of constructing the same and providing the manner of carrying said assessment into full effect.

The city of Medford doth ordain as follows: Section 1. Whereas the council did heretofore provide by ordinance for the serving of the owners of property adjacent to and benefited by the construction of the lateral sewer hereinafter described to appear before said council and show cause, if any, why said property should not be assessed for the construction of said sewer, and did fix a time for hearing any such protests, which notice was duly given in accordance with said ordinance more than ten days before the beginning of the construction of said sewer, but no protests against said construction or the assessment of the cost thereof was made by anyone and said sewer was, by said council, ordered constructed.

And whereas the cost of the construction of said sewer has been and hereby is determined to be the sum of \$181.38. Now therefore, said city doth hereby ordain and declare that each parcel of property described below is adjacent to and benefited by that certain lateral sewer, six and eight inches in size, constructed on Pine street between Jackson and Austin streets, and that the proportion of the cost of said sewer which each of said parcels of land should bear, based on the benefits derived therefrom, is the amount set opposite the description of each such parcel below, that each of said parcels is actually benefited in the amount set opposite its description below by the construction of said sewer, and that said several amounts represent the proportional benefits of said sewer from said sewer, and each of said parcels is hereby assessed the amount set opposite its description below for the construction of said sewer.
