**UNIVERSITY GLEE CLUB
HERE WEDNESDAY**

**Splendid Evening of Music is Arranged by College Boys—
Well Worth Attending.**

Tomorrow evening will appear in the opera house the University of Oregon Glee club and Mandolin club, which is touring southern Oregon during the Christmas holidays. This is an aggregation of almost 30 university students and the year accompanied by their trainer, Professor Irving M. Glen, who is well known in southern Oregon through his excellent work as director of the adult chorus at three successive Chautauqua assemblies. It is expected that Professor Glen will assist in the program with one or two of his splendid baritone solos. Professor Glen has trained the University Glee club for 14 years, and according to the opinion of those most competent to judge, has this year picked the best balanced club and turned them out with the finest concert in many years.

The program will be a treat both from the standpoint of music and of entertainment. It is by no means a vaudeville, or in any way a "cheap" show, but a concert which wins striking approval wherever the boys have been. This fact should be steadily borne in mind, for people sometimes get the impression that low prices always mean low grade goods.

Special features of the program are a sketch, entitled "Choosing an Accompanist," as a prelude to a trombone solo by Burns Powell, and the grand opera burlesque, "A Fire in a Frat," in which the whole club takes part. In one of the encore songs is an impersonation of an operatic prima donna which brings down the house.

THE ROGUE RIVER LAND COMPANY
NO. 11 NORTH CENTRAL AVENUE

Offers an especially good foothill orchard for a low price and on good terms. In these days of advancing prices, it will pay to look into this.

It pays to deal with the "Man Who Knows." When the Rogue River Land Company sold the Tronson & Guthrie orchard at Eagle Point to the prize winning owners, four years ago, the salesman, W. M. Holmes, assured the purchasers those Spitzenbergtrees would produce the world's best apples, and subsequent events prove the soundness of his judgment. By the way: Did it ever occur to you that most of the men who have won out in the Rogue River Valley, bought their winning orchards through the Rogue River Land Company?

W. M. Holmes, Manager, is always at your service for a good buy.
