The city of Jacksonville, the business men of Jacksonville and the citizens of Jacksonville have had their experience with a cheaper form of light than electric light several years ago. Before considering a cheaper form of light get their experience. 240

**THE FAMILY CIRCLE.**

They enjoy a well lighted home and there is no nicer or more convenient light than electricity, if they get enough of it. One of my gas lights flood a room with white light, giving 400 candle power at less than one cent per hour. There is absolutely no odor, no gasoline in the house and a child can operate it. Call and see them.

**AT BED TIME**

The little people are usually afraid of the dark, and a light bed room gives them confidence.

But a bed room lighted by open flame methods takes away from the secure feeling of the parents.

Use electricity for light and there will be no danger of fire to the tiny ones.

They can turn it off and on without danger.
