

THE "FALSETTO TRIO" HERE TONIGHT

Three college beauties traveling with the Oregon Glee club under the cognomen, "Falsetto Trio." The two beauties on the left hail from Portland, while the other is a well known belle of eastern Oregon. They are Miss Raphael Geisler, Miss Frances Curtis and Miss Alexander Martin. All are blondes of the "honest to goodness" type and each one is a perfect lady.

ORDINANCE NO. 277.
An ordinance assessing the property adjacent to and benefited by the 6-inch lateral sewer constructed along Olson street for the cost of constructing the same and providing the manner of carrying said assessments into full effect.

The city of Medford doth ordain as follows:

Section 1. Whereas, the council did heretofore provide by ordinance for the serving of owners of property adjacent to and benefited by the construction of the lateral sewer hereinafter described to appear before said council and show cause, if any, why said property should not be assessed for the construction of said sewer, and did fix a time for hearing any such protests, which notice was duly given in accordance with said ordinance more than ten days before the beginning of the construction of said sewer, but no protests against said construction or assessment of the cost thereof was made by anyone, and said sewer was, by said council, ordered constructed; and

Whereas, the cost of the construction of said sewer has been and is hereby determined to be the sum of \$617.70.

Now, therefore, said city doth hereby ordain and declare that each parcel of property described below is adjacent to and benefited by that certain lateral sewer, 6 inches in size, constructed on Olson street between West Fourth and West Second street, and that the proportion of the cost of said sewer which each of said parcels of land should bear, based on the benefits derived respectively by said several tracts of land, is the amount set opposite the description of each such

parcel below; that each of said parcels is actually benefited in the amount set opposite its description below by the construction of said sewer, and that said several amounts represent the proportional benefits of said several parcels from said sewer. And each of said parcels is hereby assessed the amount set opposite its description below for the construction of said sewer.
