

FADS FOR WOMEN.

A Charming and Practical Frock For the Schoolgirl.
 School frocks for girls are made in long waisted effect of plain goods meeting a flounce (killed) of plaid harmonizing with the plain fabric. The neck is high, and the closing is down the left side. Altogether the design is trim, but not suited to all figures. A short, chubby girl will look her worst in such a gown.
 The idea of wearing chiffon veils on the street is growing in favor. Pearl

gray and white are both adopted, and there is a pale lime green with a satin border that is in first favor.
 A simple little dress, such as the one shown, can be made in a variety of ways, as far as the trimming is concerned. The yoke can be made of all over material or be hand embroidered.

FASHION FEATURES.

An Attractive Hat That Can Be Made at Home—Costume Harmony.
 A pretty hat that could be copied by any girl or woman with a taste for millinery is a medium shape, the crown rounding and the brim flaring at the left side, covered smoothly with black satin. The trimming is a plume starting from the left side under a strip of satin drawn through a jet buckle, the said plume being of the daintiest lingerie frills sewed to the foundation, cascade fashion, very thick and full. The frilling is knife plaited, and the effect is striking.
 Never was the toque so great for harmony of the whole costume, and the most stylish women appear with gown, hat, shoes and accessories of the same hue.
 Two new exquisite shades are to be found in materials this season—primrose and wood rose. The former is a

pale yellow that combines especially well with black, and the latter is the latest modification of old rose.
 The coat illustrated is made of diagonal cloth, with revers and trimmings of velvet, but the style is appropriate for the coat suit as well as for the separate wrap.

DEEDS, NOT WORDS.
Medford People Have Absolute Proof of Deeds at Home.

It's not words, but deeds, that prove true merit.
 The deeds of Doan's Kidney Pills, for Medford kidney sufferers, have made their local reputation. Proof lies in the testimony of Medford people who have been cured to stay cured.

T. J. Williams, 617 Oakdale avenue, Medford, Or., says: "In 1907, after Doan's Kidney Pills benefited me so greatly, I publicly recommended them. At this time I am pleased to again speak in their praise and give permission for the continued publication of my testimonial. I suffered for years from kidney and bladder trouble, the symptoms being slight at first, but growing more pronounced as time passed. The pains in my back became so acute that I could hardly endure them, and as the result of restless nights I arose in the morning all worn out. Often I was so lame and stiff that I could not stoop, and headaches and dizzy spells were in evidence. I tried so many remedies without being helped that I grew discouraged, but when Doan's Kidney Pills were recommended to me I decided to try them as a last resort. I procured a supply at Haskins' drug store and after using two boxes I could see that a great improvement had been made. I grew better from that time on, and when I discontinued using Doan's Kidney Pills I was free from every symptom of kidney complaint. This excellent medicine cannot be praised too highly."
