To the Public:

In disposing of my Walnut Park Addition I used the advertising columns of The Medford Mail Tribune exclusively. A striking example of the great value of this medium to realty dealers is the fact that I sold the last 20 lots in less than the same number of days at top notch prices, during what is considered by realty men the dullest season of the year.

Engineer Loses Control of Heavy Principals in Fine Fettle-Two Good

The wreck of a runaway freight train on the Moffatt road today, killing three trainmen and injuring two, makes a total of ten trainmen killed and 16 injured in the Rocky Mountain district in the last three days.

The engineer lost control of the low when they struck a curve.

Preliminaries Will Be Staged.

The fight fans will see a good show at the Medford cheater when Roy Doan and George McGann clash for a 15-round contest.

Both men are trained to the minute and are in as fine shape for a lively contest as could be wished. The main event will be one worth seeing from every standpoint, while the preliminaries will serve to amuse the crowd.
