WOULD CALL ALL MINERS OUT ON WAGE STRIKE

INDIANAPOLIS, Ind., Jan. 26.—Anti-administration delegates to the convention of the United Mine Workers in convention in this city today are urging the calling of a general strike of all coal miners affected by the wage scale which expires March 31, unless a new agreement is affected before that date.

The radicals have set April 1 as the day for the strike to go into effect. They favor delivering an ultimatum at the joint conference of mine owners which will be held in Toledo February 1, stating that unless an agreement is reached the strike will be called.

SAYS ARREST OF MEAT BARONS WOULD NOT HELP

LOS ANGELES, Cal., Jan. 26.—Charles Edward Russell, who secured indictments against the Chicago meat packers in 1903 as the result of an exposure of unsanitary conditions in the slaughter houses and packing houses, is quoted by a friend here today as saying that prosecutions of the packers would not lower high prices of food.

"If all the meat barons of the country were put in jail it would not remedy the high price situation," was Russell's comment. "Present conditions result from a world-wide economic revolution, not from any conspiracy on the part of the individuals to control prices."

FEARS ENTERTAINED FOR LIVES OF PICNICKERS

EVERETT, Wash., Jan. 26.—Much anxiety is felt here today for the safety of a party of five young people of this city who set sail on a pleasure trip yesterday in a fifteen foot sail boat and who have not been heard of since then. They expected to return in a few hours. Search is being made today but no trace has been found of them and as light night was very stormy it is thought the sloop may have foundered. Although the missing men and women stated they intended to sail to Mukilteo, the boat was seen heading in the opposite direction. No preparation had been made for an extended stay any place.

THOUSANDS TRAVEL TO VIEW PAULHAN'S FLIGHT

TANFORAN PARK, Calif., Jan. 26.—With a clear sky and a light wind as inducement in addition to free admission to the aviation field, thousands of persons of the bay counties journeyed today to witness the last aerial flights of Louis Paulhan in the present meet.

The weather conditions at noon pointed to a successful demonstration by the Frenchman who soon leaves for the east. A warm sun in the morning dried up the soggy grounds within the enclosure and made the open field a favorite with the crowd over the grandstand for entrance to which an admission fee was collected.

STOMACH MISERY.

Get Rid of That Soporose, Gas and Indigestion. When your stomach is out of order or run down, your food doesn't digest. It ferments in your stomach and forms gas which causes sourness, heartburn, foul breath, pain at the pit of stomach and many other miserable symptoms.

Mi-o-na stomach tablets will give joyful relief in five minutes; if taken regularly to two weeks they will turn your flabby, sour, tired out stomach into a sweet, energetic, perfect working one. You can't be very strong and vigorous if your food only half digests. Your appetite will go and nausea, dizziness, biliousness, nervousness, sick headache and constipation will follow.

Mi-o-na stomach tablets are small and easy to swallow and are guaranteed to banish indigestion and any or all of the above symptoms or money back.

Fifty cents a large box. Sold by druggists everywhere and by Chas. Strang.

For constipation there is no remedy so satisfying as Booth's Pills—25 cents. Try a box and you will say you have found the ideal laxative at last.

HERMANN LINKED TO FRAUDS.

(Continued from page 1.)

and intends to use this as showing that Hermann had all these lists of lands and other data before him when Colonel Zabriski of Tucson, Arizona, asked for information and offered to aid the commissioner in ferreting out the workings of the Hyde-Benson gang.

End Not in Sight.

Henry did not make good his promise that he would close his case at noon today. He is apparently still far from the end of the road, having the cross-examination of McVean, the direct and cross examination of Prof. Roth and the direct and cross-examination of Colonel A. R. Green to examine before he can get all of his case into the record. In addition there are other documents and letters which are to be put in. It is doubtful if the prosecution will be closed before noon tomorrow, and perhaps not before the evening adjournment.

The defense will not take up so much time in its case as the prosecution had occupied. Hermann will go on the stand in his own defense, according to the present plan and it is believed that his testimony will make up the chief part of his defense.

HEED THE WARNING.

Many Medford People Have Done So.

When the kidneys are sick they give unmistakable warnings that should not be ignored. By examining the urine and treating the kidneys upon the first sign of disorder, many days of suffering may be saved. Sick kidneys expel a dark, ill-smelling urine, full of "brick-dust" sediment and painful in passage. Sluggish kidneys cause a dull pain in the small of the back, headaches, dizzy spells, tired, languid feelings and frequently rheumatic twinges.

Doan's Kidney Pills are for the kidneys only; they cure sick kidneys, and rid the blood of uric poison. If you suffer from any of the above symptoms you can use no better remedy.

Medford people recommend Doan's Kidney Pills.

Mrs. Jennie Sevey, 1023 Ninth St., Medford, Or., says: "I first used Doan's Kidney Pills while living in Idaho. I had suffered a great deal from kidney trouble and I was subjected to severe attacks of pain in the small of my back. The kidney secretions also passed irregularly and showed that my kidneys were at fault. Doan's Kidney Pills relieved me promptly and finally effected a cure. I am now in good health and my kidneys do their work as they should."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.
