## Your Ad Will Find The Right People Because the Right People Are Looking for Your Ad

If you COULD (although, OF COURSE you can't) stop every man you meet on the streets today, and ask: "Do you want to buy a house?" you might find a half dozen who would answer in the affirmative. Perhaps no one of these, however, would want to buy the house you want to sell.  
If your advertisement, however, were to be printed in these columns today, it would "stop" EVERY MAN IN TOWN WHO WANTS TO BUY A HOUSE—and it wouldn't "stop" ANYONE who DIDN'T want to buy a house! That's the beauty of the advertising way of finding a buyer. The ad finds the buyer through the simple process of being easily and readily found by the buyer!  
And if, among the prospective buyers of property in this city, there is one to whom your property would be a bargain, or a "good buy," and if your ad is a convincing one, you'll sell what you want to sell.  
Want ads, 1 cent a word—6 insertions for the price of five.
