HIRAM W. JOHNSON NAMED AS CANDIDATE

Will Head League Ticket for Governorship in California—Urged to Accept by Francis J. Heney.

SAN FRANCISCO, Feb. 19.—Hiram W. Johnson, attorney, was tendered the nomination of the Lincoln-Roosevelt league as a candidate for governor of California in a resolution passed by the executive committee of the league this afternoon.

The resolution called upon Johnson to become the republican candidate for governor. Following its passage Johnson was notified by telephone of his selection and in reply accepted the offer contained in the resolution. He told the committee men that he would begin an active campaign to secure the republican nomination under the reform wing of the party.

It is believed that Francis J. Heney, who recently hurried to this city from Portland, was instrumental in obtaining Johnson's consent, as the attorney has heretofore steadfastly announced his refusal to consider an offer.

GONDOROKO, Soudan, Feb. 19.

In a vain effort to save the life of a negro porter who fell into the Nile, Kermit Roosevelt plunged into the river in which crocodiles swarmed. He failed to save the carrier, but he is none the worse today for his daring attempt.

Kermit tried three times to reach the porter and each time was close to the crocodiles. The saurians apparently did not see young Roosevelt, but seized upon the body of the unfortunate porter and dragged him beneath the surface.
