

## DELINQUENT LIST WILL BE SMALL

Collections Will Reach \$300,000  
Mark or Over by April 4, When  
Taxes Become Delinquent—Actual  
Delinquents Less Than \$15,000.

It's like interviewing a cabinet minister or a trust magnate to get any information out of the sheriff's office now, for the reason that the force hasn't time to answer questions unless you have the tax money in sight to justify your queries. Mere seekers for information have to wait.

Of the \$394,000 of taxes to be collected in Jackson county, \$220,000 had been paid in by March 15, at which date the 3 per cent rebate was cut off.

By the 4th of April, upon which day taxes become delinquent, Sheriff Jones figures that he will have collected at least \$300,000 of the taxes due.

It would seem from these figures that there would be a \$94,000 delinquent roll. Not so. The Oregon law provides that one-half of the taxes due may be paid in April and the balance in September without any penalty attached. Many taxpayers are taking advantage of this provision, so that the real delinquent list—those who have paid nothing—will aggregate between \$15,000 and \$20,000.

## CUPID IS AIDED BY FLIP OF A COIN

Two Pretty Nurses Flip Quarter to  
See Which Way They Should Go  
on Their Vacation.

SEATTLE, Wash., March 19.—The tossing of a coin to see whether two pretty nurses of San Francisco would spend their vacations in the north or the south, an acquaintance of less than three days, and a separation immediately following the marriage ceremony, destined to last from five to nine months, are contributing features to the romantic marriage of Miss Isobel Gordon and George W. Graves, a wireless operator on the United States cruiser Tennessee, which took place at the Hotel Stevens late yesterday.

It all started when Miss Gordon and Mrs. Mavis Lorton, both trained nurses of the McNutt hospital of San Francisco, could not decide on where to spend a vacation. It was finally decided that a flip of the coin should direct the way, whether it be north or south, and Mrs. Graves is certain that cupid had something to do with the silver quarter landing heads up, which meant that they go north.

## AT THE CHURCHES.

**Baptist Church.**  
A welcome is extended to any and all who have not a regular place of worship to come to the Baptist church, corner of Fifth street and North Central avenue. Sunday school 10 a. m.; preaching services, 11 a. m. and 7:30 p. m.; young people's meeting, 6:30 p. m. A special effort is being put forth to furnish the best of music for the church services. Professor H. M. Whetsel of the Whetsel Music company has charge of the singing. The pastor will preach at the Griffin school house next Sunday afternoon at 3 o'clock. A. A. Holmes, pastor.

**Christian Science.**  
Services Sunday morning at 11 o'clock. Subject of 'season-sermon, "Matter"; Sunday school at 10 a. m.; testimonial meetings Wednesday at 7:30 p. m. The public is cordially invited to these services. 128 North Grape street, north Sherman-Clay music house.

**Christian Church.**  
At the Christian church, corner of Sixth and Ivy streets, usual services on Sunday. At the morning service the pastor will preach on the subject, "Soldiers of the Cross." In the evening the subject will be "The Heavenly Guest." Good singing and interesting services. W. Theo. Matlock, pastor.

**M. E. Church South.**  
Revival. Hear Evangelists Martin and Burke at the M. E. church South today. Original and forceful sermons delivered in a style peculiarly his own. Come and bring your friends and enjoy the sermons and the singing. W. T. Goulder, pastor.

**Music at First M. E. Church.**  
At the morning service the large chorus choir will sing Himmel's "Incline Thine Ear to Me." A reed-organ has been found inadequate for accompanying the grade of music now being sung by this choir. This week a piano was purchased from the Sherman-Clay company to be used until a pipe organ can be installed.

**St. Mark's Church.**  
Services during holy week. In church phraseology, the last week of our Lord's earthly life is called holy week, beginning with Palm Sunday, which is today. Usual services will be held today, viz.: Sunday school at 10 a. m.; morning prayer and sermon, 11 o'clock; evening prayer and sermon, 7:30 o'clock; on Tuesday and Wednesday, 3:30 p. m. Holy Thursday, the holy communion in commemoration of its institution on the day preceding our Lord's crucifixion. Good Friday, the three hours' service from 12 to 3 p. m., in memory of the three hours our dying Lord hung upon the cross. Full notices will be published of the hours of service for Easter day, and also the musical programs.

## WAR IMMINENT IN ASIA MINOR

Leaders of Peasantry Send Word to  
Their Followers to Assemble To-  
morrow Under Arms to Fight  
Turks and Grecians.

CONSTANTINOPLE, March 19.—Leaders of the peasantry, in the province of Thessaly, Greece, who are warring against the big Turk and Mohammedan land-owners, for a division of their estates, summoned their followers today to assemble under arms tomorrow at Larsia, Pharsala and Vetestino.

The leaders admit that they intend to attack the Turks and Mohammedans within the province and likewise the Grecian soldiers who have been sent to guard the property-owners against the peasants.

The Moslems are preparing for trouble, and a bloody conflict is predicted between the peasants and the followers of Mohammed.

The property-owners notified the Turkish government today of the latest move on the part of the peasants. As a result, Turkey will protest to the Grecian government, and if necessary Turkey will send an armed force into Thessaly to protect Turkish subjects.

**Marriage License.**  
A marriage license has been issued by County Clerk Coleman to A. J. Marvin and Mrs. E. E. Boaz.

## ANOTHER FIELD FOR THE FAIR SEX

Mrs. Lake of Seattle Announces a  
New Departure in Human En-  
deavor.

SEATTLE, Wash., March 19.—Mrs. G. L. Lake, residing on Melrose avenue, today announces a new departure in human endeavor. She has begun the practice of "counselor in domestic affairs."

Having had years of experience in dealing with the perplexing questions of everyday life, Mrs. Lake believes that her services are needed in Seattle. When physician, attorney and clergyman fail to cement broken hearts and patch up estrangements resulting from incompatibilities, then, Mrs. Lake says, she has the regulation heart-fixers "lashed to the mast."

Mrs. Lake said today that she has spent a lifetime in studying the perverse peevishness of man and womanhood and that she is well qualified to apply the balm where it will do the most good. She is well beyond 60 years of age and is enthusiastic over the possibilities of her new profession.
