OXFORD PUTS IT ON CAMBRIDGE

Greatest Athletic Event of the Year Pulled Off in England—River Bank Lined With Thousands of Spectators—Oxford Favorite

LONDON, March 23.—Oxford lowered the Cambridge colors today in the annual regatta on the Thames, winning by three and one-half lengths after a race of four and one-half miles. The distance was made by Oxford in 20 minutes and 14 seconds, which is 27 seconds behind the record time.

The Oxford crew was in fine fettle and shortly after the first mile mark had been passed they showed their superiority over Cambridge and the result from that point was never in doubt.

The race held the greatest interest for thousands of persons who lined both banks of the Thames to witness the yearly athletic calendar of England. Starting from Putney, on the Thames, the crews raced for the first mile with the Cambridge boat a quarter of a length in the lead. After the first mile the Oxford eight slowly closed up on their rivals and soon nosed into the lead. From then on the Oxford crew was never headed.

Oxford was a hot favorite. At the toss for position Cambridge won and chose the Middlesex side of the river; Oxford having the Surrey side. There was scarcely enough wind to ruffle the water. This was of advantage to Cambridge, as she had a lighter crew.

The meet was the 66th annual race between Oxford and Cambridge and was along the Thames, from Putney to Mortlake.

The river was lined on both banks throughout the entire four and one-half miles of the course, with thousands of shrieking enthusiasts who shouted the names of the favorite eight and waved the colors of the respective universities—dark blue for Oxford, light blue for Cambridge.
