#### BEAUTY IS INHERENT It Needs But To Be Revealed

This is one of the guiding Statutes of the "New School. It finds exemplification in

They Lace In Front"

You can see its results in the sculptured per fection of the classic GOSSARD back which enhances the natural beauty of the loveliest line in nature. Through "New School" methods the eradication of mistakes is final.

You'll never know the truest union of corset comfort and smart style until you have been fitted to a GOSSARD.

"Model D" as shown expresses the most advance spring note in corsetry. It is long below the waist with a bust low to girdle dimensions. This construction together with the ELECTRO-BONE filling affords a gracious suppleness to the figure and a degree of comfort that has heretofore been accounted an impossibility. Made in \$5.00 qualities.

We show this season eight other models in the Gossard Corset-each in several lengths. There is a model exactly right for YOU.

Our expert fitters will be pleased to demonstrate the merits of Gossard Corsets and will wait upon you coarteously, whether you intend purchasing now or not.

PRICES FROM \$5.00 to \$ 22.50
