SOUTHERN PACIFIC PAYS MORE TAXES

Sheriff Is Handed Some \$15,000. Making a Total of Over \$65,000 Paid by S. P. So Far This Year.

The Southern Pacific Railroad company on Monday made an additional payment of \$15,000 to Jackson county, making a total of over \$65,000 already paid by this company. They have \$15,000 to pay yet before they are square with the county.

The work of collecting taxes charged up on the 1909 roll is still burying the clerical force of the office deeply. About \$300,000 of the \$375,000 total has already been collected and considerable of the balance will be paid in before taxes become delinquent on April 1, or next Friday. Comparatively few of the taxpayers take advantage of the provision of the law which enables them to pay one-half of their taxes on or before the first of April and the remaining half next September, without penalty.

It will be ten days yet before the accumulated business incident to collecting taxes will be cleared up, but those who have not yet received their official receipts will get them in due time in the order in which their remittances were received.

Many Leave For Alaska. SEATTLE, Wash., March 28. — The steamship Jefferson which sailed for Alaska Monday, left port with every reservation taken, all first-class passages being sold out three days ago.

The Humboldt, which sailed for Skagway Saturday, also carried a limited passenger list. The Jefferson is the last boat to sail under the cut rates made during the steamship war this winter.

The rush to Alaska is three weeks ahead of the usual time and companies operating Alaska boats have already visions of record-breaking travel.

ORCHARDS AND HOMES

Mr. Landecker, did you ever stop to consider that it is not an easy task to select a profitable orchard or orchard site, especially for one unacquainted with the country or the business? I have been right next to the soil here for the past twenty years, raising trees and fruit, and I feel that I can give you information that is of value to you. Would you hire a lawyer or dentist to build you a house? No. Then why not seek a practical fruit-grower to advise you as to a location for an orchard?
