## EAGLE POINT EAGLETS

By A. C. Howlett

On Friday night, April 1, there will be a box social given in the Baptist church of Eagle Point, and instead of selling the boxes to the highest bidder the old maids of the town are advertised for sale at public auction. How many will be sold your correspondent is not informed, but if he is correctly informed, there will be but very few as he doesn't know of but one, who claims to be on the lady bachelor list, and she declares that she is not on the market. Nevertheless, you better come who want to invest in the line of goods, for there may be a few that under the strain of the excitement may consent to being on that list. The old maids will be sold by weight and I hear some of the interested gentlemen talk about bidding as high as ten or fifteen cents a pound. The proceeds are to be applied to the B. Y. P. U. fund which I suppose means bright youths popular union. But everybody come and have a good time and help the girls along in their commendable undertaking.

Misses Grace and Lucile Henry were callers at the Eagle Point hotel last Saturday on their way to their hometown near Brownsboro.

A man by the name of Williams, who has been around our town for some time, made a trip to Butte Falls the first of the week. He is looking over the country with a view to locating among us.

Miss Caroline Dexter, who has been visiting friends in Eagle Point for some time, returned to her home in Medford Sunday.

Carl Stout, one of the bridge carpenters of the P. & E. railroad, who has been away for some time on account of the serious illness of his wife, returned to Eagle Point Monday and was skilfully handling his many friends in these parts. He expects to be at work soon framing the new bridge across Butte creek on the new survey.

Mrs. Colonel Pool was the guest of her uncle, John Watkins, last Sunday night, and on Monday went to Jacksonville to be appointed as guardian for her two children, her father, Frank Tugate, was also with her at Mr. Watkins'. James Bryer also went to Medford the same day and to Jacksonville on land business.

Mr. Zemy, who has a homestead in the forks of Rogue river, and his partner, who have been trapping during the last winter, came out on Sunday and report that they have done fairly well in their line, as they had quite a bunch of furs. They were on their way to Medford.

I. H. Cooley, one of the Medford capitalists, and owner of a young orchard about a mile above our town, was out Monday morning trying to get hands to work on his farm.

E. S. Wolfer has been engaged this week doing the plumbing work for S. B. Holmes.

The sad news came to us Sunday night that one of Mr. and Mrs. George Weeks' little children, about 2 years old, was burned to death last week, dying Sunday night. The report came to me that while Mr. and Mrs. Weeks were both out of the house, leaving four little children in the house, that one of the children took a grease lamp that was used as a substitute for a coal oil lamp, while they were out of the letter, and lit it, and it appears that they had set it on the floor, and the little child's clothes took fire from it. The other children gave the alarm, but before the mother could get to the child it was so badly burned that death followed Sunday night. The remains were interred in the Trail cemetery on Monday. The funeral services were conducted by Rev. Rowley. There were about 50 attended the funeral.

William Brown, Sr., a brother of our townsman, George Brown, started for his home in British Columbia last Sunday.

Last Sunday night the younger portion of our community gave an Easter entertainment in the church and for once the house was full. The exercises during the evening were highly spoken of. The house was beautifully decorated with flowers and I am sorry to say that many of them were blown off of our neighbors' pear trees.

Mr. Harvey, of whom I made mention in a former letter as taking charge of the Dr. Page orchard in this section, was placed on another orchard near Medford and the same man still has charge of this orchard that has been here all winter.

William Gibson came out last Monday evening to call up Mr. Gerig for more men to go to Thompson's creek camp No. 2. He says that they are rushing the work through as fast as they can and are getting along finely. He reports that Mr. Thomson,

who went to Elving for his titles, disposed of them there and has gone to Klamath county to buy a new supply.

Jed Edsall of Butte Falls came out Monday after day to take up home. He says that it is almost impossible to get hay up there and that some of the railroad men had to do without hay for a whole week and hat when he drove a night with a load of hay on his wagon that every tangle in the camp commenced to bray.

Young Gippert, who is hauling provisions for the Iowa camp, says that it keeps him busy hauling grub for the men.

George Stove, (Pete), who has had charge of the Hamilton place, now owned by the Oregon Orchard & Land company, has moved onto 2 1/2 miles land that he bought of Peter Zemy, and Mr. Allen has moved from the old Ashpole place into the house formerly occupied by Mr. Stowell. That the people change around.

Jessie Cole, Jr., of Nevada county, California, and Mr. C. Burgess of Reese creek called Tuesday for dinner. Mr. Burgess is the man of whom I spoke some time ago, who went to Los Angeles to have two cancers removed and one off of his hip and the other off of his throat, and he reports that the trouble is entirely over and that he is well of the cancers. His many friends congratulate him on his success.

I wish to extend my thanks to Charley Rice, a young man working at the Eagle Point hotel for several items in this letter, and kindly ask a continuation of these favors.

Last Tuesday Deputy Sheriff Ulrich came out and arrested Mr. Deeter and Henry Daley on the charge of keeping an unclean slaughter house, and if you could have heard the howl of indignation that went up from the people of our quiet little village you would have thought that something very serious had happened.

## FOOD FERMENTING CAUSES INDIGESTION

"I got a box of Mi-o-na tablets for a distress in my stomach, and the first dose relieved me, and after I took the fourth I have not felt any more of it. I think it is a wonderful medicine."—Hiram Shultz, Waukegan, Ill., July 27, 1909.

If your stomach is out of order or distressed, no matter from what cause, Mi-o-na stomach tablets will give instant relief, and if taken regularly, will cure indigestion, acute or chronic, or money back.

Every sufferer from stomach trouble, gas, belching, sour stomach, nervousness, dizziness and biliousness should get a 50-cent box of Mi-o-na stomach tablets today and start a treatment.

In three days' time the stomach and bowels will be thoroughly purified, cleaned and renovated, the sourness will go, and pure, sweet breath will take the place of foul breath.

Continue the treatment for two weeks and the stomach will become so strong that it will be able to digest the heartiest meal without distress. A few Mi-o-na tablets will do this. Sold by druggists everywhere and by Charles Strang.

Booth's Pills, best for constipation, 25 cents.

## Flocking to Jamestown.

NORFOLK, Va., March 30.—This city is teeming with owners, trainers and lovers of running horses, while at the Jamestown Jockey club's track are quartered several hundred racers recently arrived from Jacksonville, Tampa and other points in readiness for the opening of the first eastern race meeting of the year, which is to begin Friday and continue for twelve days. That the meeting will be attended by a host of regular patrons from New York and other points is positive, many having signified their intention of opening the season at Jamestown, as they formerly did at Bennings.

## Philippine Legislature Meets.

MANILA, March 30.—A special session of the Philippine legislature is meeting at Baguio principally for the purpose of enacting public work legislation.

Appropriations probably will be made for road construction, bridge construction and harbor and river improvements.

It is probable also that a sum will be set aside to fight against rinderpest, a disease which has been epidemic among the cattle and work animals on the islands.

## Money Paid For Want Ad Space Brings Greater Returns Than Any Other Investment in the World

USUALLY A WORK-WANTED AD. IS THE INCOMPARABLE INVESTMENT FOR "POCKET MONEY." BETTER THAN GOVERNMENT BONDS—THAN ANY SORT OF BONDS. THE WANT AD. INVESTMENT IS WITHIN THE REACH OF THE PERSON WHO CAN LEAST AFFORD TO MAKE EVEN THE SMALLEST MISTAKES IN INVESTMENTS OF QUARTERS AND DIMES. A LARGER SALARY SECURED THROUGH PRINTING A WANT AD. A FEW TIMES—COULD THERE WELL BE A GREATER PROFIT ON SUCH AN INVESTMENT?

## SHERMAN'S SNEEZE IS SOURCE OF TROUBLE

WASHINGTON, D. C., March 30.—Whether senatorial courtesy demands that a member delivering an address from the floor must pause when Vice-President Sherman sneezes is a mooted question in the senate today. The possibility of embarrassment because of the heavy cold the vice-president contracted was suggested during a speech by Senator Bacon. Without word or warning the vice-president sneezed loudly and emphatically and repeated twice.

Senators lost their dignity and joined the galleries in a gale of appreciative laughter. Senator Bacon paused in the middle of a well-rounded period and looked askance at the chairman, who rose fully to the occasion. Seizing his gavel he rapped loudly.

"The chair will please come to order," he shouted. Senator Bacon proceeded without further interruption.
