Mr. and Mrs. E. B. Davis have taken the bungalow of Madam Miller on South Holly street.

The No-Name Bridge club will meet with Mrs. Rau this week at her country home near Central Point.

The Easter music at the Christian church was unusually good and was greatly appreciated. Great credit is due Miss Edna Merrill, Mrs. Seeley, Mrs. Belle Jones and Miss Wilson, who had charge of the music.

Messrs. Donald and Vance Colvig have returned to Portland after spending their Easter vacation in Medford.

The C. C. C. club and their friends had a pleasant trip to Jacksonville and Central Point Thursday evening. Mrs. Ed Andrews, chaperone.

Miss Ruth Merrick is home from Eugene for the Easter holidays.

SCIENTISTS TO MEET ON MOUNT WILSON

Many of Most Learned Astronomers and Students in World Will Gather in Southern California in August.

PASADENA, Cal., April 2.—As guests of the scientists connected with the Carnegie observatory of Mt. Wilson, many of the most learned astronomers and students in the world will gather here next August. Thirty of the leading scientists of Europe and two score Americans have accepted invitations to attend the scientific conclave. Among the Americans of international reputation who will be present are Professor E. C. Pickering of Harvard university, Professor Campbell of Lick observatory and Professors Michelson and Chamberlain of Chicago; Professor Riccio of the Royal Italian station at Mount Aetna has accepted an invitation and every European nation, according to Director Hale of the Carnegie observatory, will send her most noted savants.

The gathering will in a measure be to celebrate the installation of the 150-foot tower telescope that has been ordered. This will be the largest instrument in the world for the study of the sun's rays.

HOOKWORM INVADES SOUTHERN CALIFORNIA

Los Angeles Medico Declares Sandy Soil of Southern California is Excellent Breeding Ground for Insect.

LOS ANGELES, Cal., April 2.—That the hookworm has invaded Southern California and may gain a foothold in this section of the state was the information given the Los Angeles County Medical association by Dr. Joseph M. Kling, who is making a complete investigation of his startling discovery today. Dr. King declared that he has diagnosed a peculiar disease that attacked Suris, proprietor of a Japanese pool-room, as hookworm. Uria came to Los Angeles from Mexico, where Dr. King believes he contracted the disease.

Dr. King declared that the sandy soil of Southern California would make an excellent breeding ground for the parasites, and sounded a note of warning to the physicians of the association.

Factory Ships a Car of Pianos by Mistake to Medford

The Chance of a Lifetime

TO SECURE A HIGH GRADE PIANO FOR A SMALL PRICE

Our Portland manager bought 1500 pianos, ordering them sent to the 40 stores of the northwest, each store getting its proportion. A little later he countermanded his shipping instructions and ordered all shipped to the Portland house. As luck would have it, the car originally ordered to Medford had been shipped out and it was too late to stop it. IT IS HERE NOW—CAME YESTERDAY AND WAS A SURPRISE TO THE LOCAL MANAGEMENT. Rather than pay freight both ways, we will sell the pianos and will remain a few days longer.

SMALLPOX QUARANTINES ALL PLEASURE RESORTS

SEATTLE, Wash., April 2.—The schools, saloons, billiard and pool-rooms are all closed in Charleston, the navy-yard town, because of eight cases of smallpox which have developed. All Charleston pupils in the Union high school have been ordered to stay away from school until further notice.

Some persons believe the epidemic was started by sailors from the cruiser Washington, now at the navy-yard, which was quarantined for some time for smallpox following its return from the Orient.

Johnson Files Well.

ALAMEDA, Cal., April 2.—After one successful flight in a Curtiss bi-plane, aviator Frank Johnson was compelled to forego further flights because of the breaking of the aeroplane's steering gear. Johnson flew from the Neptune gardens to Encinal club boat house, a distance of nearly three-quarters of a mile. His average height of flight was 60 feet. On returning to the field he grounded hard and a gust of wind twisted off the rudder. Johnson will continue his flights tomorrow. There was only a small attendance today.
