

## THREE STRAIGHT HAVE WE WON

A Lopsided Score is the Result of Sunday's Game—Jacksonville Outplayed From Start to Finish—16 Hits Are Made.

Sixteen hits, 14 scores, two home runs, about sums up the Medford-Jacksonville game at Jacksonville Sunday.

Jacksonville got 11 safe swats, but could only get four runs over the pan. Up to the fifth, when Lux, who opened for Medford, was taken out, the score was four all, but in the sixth Wilkinson smashed the ball on the nose for the second time was advanced by Hill's sacrifice, and scored on Henselman's hit. Hense stole second and went to third on Miles' out and scored when Isaacs smashed a screamer to right. Beebe went out, third to first. That made the score 6 to 4, and it was curtains for Jacksonville after that. Coleman, who went into the box, was very economical with hits, and the boys ate them up behind him. The county seat team was never dangerous afterward. McIntyre replaced Lester in the eighth, but he was cold, and by the time he got his arm working the game was over.

Medford ..... 14 16 5  
Jacksonville ..... 4 11 5

At Central Point the game resulted in favor of Grants Pass by a score of 16 to 11.

Wilkinson was certainly the hitting hit at Jacksonville Sunday. Six times at bat and five hits, a homer, a double and three singles. "Butch" hasn't been batting much lately and when he straightened out one of Lester's curves for a home run over the center field fence it was a surprise all around. It was the longest hit ever made on the Jacksonville grounds since Billy Hullin hit one over at nearly the same point in the days of the original Rogue River Valley league.

Stearn lined one over the left field fence also.

Blackington was the only outfielder who had a chance at a fly ball.

Pug Isaacs' great peg to third almost broke his arm, but he got the man.

## \$7000 DISAPPEARS FROM BANK VAULT

German-American Bank of Portland Has One of Its Safety Deposit Boxes Rifled—Sensation Expected.

PORTLAND, Or., April 11.—Despite the efforts on the part of officials of the German-American bank and the American Bankers' association to suppress the alleged facts, it is reported here today that a sum aggregating \$7000 is mysteriously missing from a safety deposit vault of the institution.

Detectives of the bankers' association are now on the trail of the individual who, it is alleged, gained access to the strongbox in an unusual manner one day last week and secured the money. The funds had been placed in the vault by two local attorneys for a client under an assumed name, pending the outcome of certain litigation involving the client.

Officials of the bank were reluctant today to admit any of the alleged facts in connection with the reported theft. They admitted, however, that the money was missing and was taken under such circumstances as to require the services of detectives in ferreting out the identity of the party accountable for its disappearance.

Sensational disclosures in connection with the case are predicted within the next 24 hours.

### MEDFORD BOOKLET IS WORK OF ART

(Oregon Journal.)

Medford has published another attractive booklet setting forth inducements of the Rogue River valley to settlers and investors in fruit lands. It is perhaps the most elaborate and artistic publication of its class ever issued anywhere and it is expected to bring big results as the edition numbers 50,000 copies. The printing was done in Portland.

The booklet contains 64 pages, not including the cover and many of the illustrations are in colors. The frontispiece is a beautiful reproduction of a corner of Crater Lake, one of the world's scenic wonders, and on the back of the cover is a reproduction in colors of one of the gorges for which Rogue river is famous. Other pictures show the heart of the famous orchard district with the city of Medford in the background.

Pictures of a number of recently erected Medford residences are also included.

### Grants Pass to Clean Up.

GRANTS PASS, Or., April 11.—Tomorrow has been set aside as city cleanup day. All rubbish which has accumulated in streets and alleys should be raked up and if not burnable hauled away by teams which the city will provide for the purpose. The amount of rubbish that can accumulate in a short time is surprising and there are very few buildings in town that may not be improved in appearance by a little attention to their surroundings. It is hoped that the movement will not be confined to the residence section. Last year the idea was carried out very successfully, the only hitch in the proceedings arising from the fact that no provision was made to haul away the rubbish from the residence section, and consequently much of it was left piled in back yards and alleys. It is hoped that the rubbish haulers will get around to the residences also this year.

### LOOK FOR COUPLE WHO SKIPPED FROM ENGLAND

CHICAGO, Ill., April 11.—Colonel George Boynton and Henri de Mercier of London who are here searching for Baroness Ethel De Forest and Lieutenant H. C. S. Ashton of the Second Life Guards, with whom she left England, expressed the opinion that the missing pair are on the Pacific coast.

Boynton and Mercier have been employed by Baron De Forest to find the Baroness and Lieutenant. They have hunted unsuccessfully in New York, Boston, Philadelphia and Cleveland and now believe that the couple have traveled west.

The disappearance of the couple from England caused a sensation in England and America for the reason that Ashton's mother was Miss C. Dugardner, a social leader of New York before her marriage.
