ORDINANCE NO. 321.

An ordinance declaring the assesson Riverside avenue, North, and di- ford. recting the recorder to enter a statedocket

Section 1. Whereas, the city counclare its intention to lay a 6-inch water main on Riverside avenue, North, property froating on said portion of age of said property and fix a time and place for hearing protests against the laying of sold water main on said part of said street and the assessments of the costs thereof as aforesaid: and.

Whereas, said resolution was duly published and posted, as required by section 116 of the charter of said

Whereas, a meeting of the council was held at the time and the place fixed in the said resolution, for the purpose of considering any such protests, but no protests were at said time, or at any other time, made to or received by the council to the said laying of said water main, or the assessment of the cost as aforesaid, and said council having considered the matter and deeming the said water main was and is of material benefit to said city, and that all property to be assessed therefor would be benefited thereby to the extent of the probable amount of the respective assessments to be lovied against said property, did order said main laid;

Whereas, the cost of said water main has been and hereby is determined to be the sum of \$6054.00.

Now, therefore, it is hereby further determined that the proportionate share of the cost of laying said water main of each parcel of property fronting on said portion of said street is the amount set opposite the description of each parcel of land below. and that each piece or parcel of land benefited by the laying of said main to the full extent of the amount so set opposite the description of the same, and that the respective amounts represent the proportional benefits of sald water main to said respective parcels of land, and also the proportional frontage thereof on said street, and the council does hereby declare each of the parcels of property described below to be assessed, and each of the same hereby is assessed the amount set opposite each description for the cost of laying said water main.
