Oil and Mining Properties

is more nearly approached by the new General Elec-tric MAZDA unit than by any other lighting fixture on the market excepting an electric arc lamp. It is des-tined to put electric light in every store, however small. No illuminant can compare with the G.E. MAZDA light in low cost or high efficiency for electric current.

The Small Storekeeper **Can Save Money**

by installing three or four or five of these units to illuminate his entire premises. They are unrivalled for show window lighting. Consult with us about our spe-cial offers for store lighting with G.E. MAZDA lamps.
