I hire this small space in order to get in touch with those people who wish to invest in real estate, whether town property or acreage.

I am not here listing any particular trades. The fact of my being in this business proves that I have some very good trades, as those who, for various reasons, are anxious to sell go to the real estate man to get his help.

I have not the money to take these good bargains unto myself, as any one would do who knew what a good thing was, therefore I can give you the selection of my list. It won't cost you anything to call and find out, and you need not fear of my boreing you at all.

This ad will be changed from time to time. Yours truly,
