The new fiction and late magazines at the Merrivold Shop.

(Additional Local on Page 8.)

ORDINANCE NO. 329. An ordinance for the assessment of the property benefited by the cost of laying a six-inch water main on Central Avenue North and directing the recorder to enter a statement thereof in the Water Main Lien Book.

The city of Medford doth ordain as follows: Section 1. Whereas, the city council did heretofore, by resolution, declare its intention to lay a six-inch water main on Central Avenue North and to assess the cost thereof on the property fronting on said portion of said street in proportion to the frontage of said property, and fix a time and place for hearing protests against the laying of said water main on said part of said street and the assessments of the cost thereof as aforesaid.

And Whereas, said resolution was duly published and posted as required by section 116 of the Charter of said city.

And Whereas, a meeting of the council was held at the time and place fixed in the said resolution, for the purpose of considering any such protests but no protest were at said time or at any other time made to or received by the council or the said laying of said water main or the assessment of the cost as aforesaid.

And Whereas, the council, having considered the matter, and deeming that said water main was and is of material benefit to said city, and that all property to be assessed therefor would be benefited thereby to the extent of the probable amount of the respective assessments to be levied against said property did order said main laid.

And Whereas, the cost of the said water main has been and hereby is determined to be the sum of \$5,116.75.

Now, Therefore, it is hereby further determined that the proportionate share of the cost of laying said water main of each parcel of property fronting on said portion of said street is the amount set opposite the description of each parcel of land below, and that each piece or parcel of land benefited by the laying of the said main to the full extent of the amount so set opposite the description of the same.

And that the respective amounts represent the proportional benefits of said water main to said respective parcels of land, and also the proportional frontage thereof on said streets, and the council does hereby declare each of the parcels of property described below to be assessed as a share of the cost of laying said water main.

ASSESSMENT FOR SIX-INCH WATER MAIN ON CENTRAL AVENUE NORTH, FROM EAST SECOND STREET TO NORTH CORNER OF BOUNDARY, CITY OF MEDFORD.
