EAGLE POINT EAGLES

By A. C. Howlett

Last Sunday was quite a busy day at Eagle Point. One of the attractions was Sunday school and preaching in the forenoon. In the afternoon the Eagle Point ball team played ball against the Hillcrest team, with the game resulting 19 in favor of Eagle Point and 4 for the Hillcrest team. For the benefit of those who are curious to know where the Hillcrest team originated and who they are, etc., I will say they are mainly what we used to call the Big Sticky boys. There was a large crowd assembled to witness the game from different parts of the valley, and while some came merely for the sake of coming, some came to attend church, and Mr. Lamar, our Baptist minister, preached as good a sermon as I have ever had the pleasure of hearing from him. There was also another class that came to spend the day along the banks of our beautiful Little Butte creek fishing. Some came to visit friends, etc., but the most of them came to witness the ball game. There was quite a number who brought their lunches with them, and one company of about 25 ate their lunch under the lumber shed. They had brought their freezer, cream, etc., so as to have ice cream as well as other delicacies, and notwithstanding the crowd that brought their lunch with them, both hotels were full—at least, I judge that they were both full from the fact that there were 38 took dinner at the Sunnyside and the Sunnyside stable was filled with teams.

Among those I can mention as visiting the Sunnyside hostelry are H. B. Cady, Mrs. G. K. Arnold, Mrs. F. D. Cline, Mrs. H. B. Cady, Miss Helene Cady, Miss Eunice Stewart and Leonard Robinson, all of Medford. Quite a number of the foregoing attended services at the Baptist church.

E. M. Olmstead of Ashland, deputy head consul of the Modern Woodmen of America, called last Sunday and engaged a room and stated that his business was to try to effect an organization of a lodge here, he had planned that they might organize, and then the I. O. O. F. and them would go in together and build a hall to be used for a lodge-room. He remained until Tuesday morning and left before I had asked him the result of his effort.

Civil Engineer Osgood and Omer Murphy came out Sunday afternoon in an auto and called for a moment. They were looking for a party, unknown to your correspondent, to go to Trail.

Dr. Gale and family, John Boiner, Miss Alice Hanley and her niece, Miss Mary Hanley, were also among the guests at the Sunnyside last Sunday, and the Castor brothers of Phoenix, besides a number whose names I did not know. Eagle Point is getting to be quite a resort for pleasure-seekers that are fond of fine scenery and good fishing.

W. L. Small of Medford came out last Sunday morning on the P. & E. to go to work with Mr. Richardson plastering William Von der Hellen's new house. They will probably finish the job by the middle of this week.

Mr. Small is planning to put up a fireplace and chimney for P. H. Daley in his new house.

The carpenters are pushing the work right along on the addition to the Sunnyside.

Benj. Edmonson of Butte Falls came out last Monday after a load of goods for one of the merchants of that place.

Mr. Dupray of Butte Falls and Stanley Spencer of Dudley came out last Tuesday and went on to Medford the same afternoon on the P. & E.

Alfred Gordon came out last Tuesday and brought out a man who has been cooking for the Pankey logging camp, who had been bitten by some kind of a poisonous reptile on the foot and left him at the Sunnyside for medical treatment. Dr. Holt was called and treated the foot and this (Wednesday) morning he is resting easily.

Burt Peachey came around to visit his old-time friends last Monday.

A. H. Peachey made a business call in Eagle Point Tuesday.

Walter Wood is building a new house on his place, which will greatly improve its appearance.

C. W. Austin of Dudley came in on us Sunday evening and the next morning took the car for Medford.

Dell Hazle has just finished up a job lathing P. H. Daley's new house, and returned to Medford Tuesday evening.

Jud Edsall came out for a load of supplies for a camp of surveyors who are camped on the proposed railroad route east of Butte Falls, and to take up another crew of surveyors to be located at Fish Lake.

99 Per Cent of the Real Bargains

Go To Those Who Read Ads

You can't afford to align yourself with the one-chance-in-a-hundred people—with those who "haven't time" to read ads, and who, therefore, spend hours of useless "looking" for the bargain, to which the advertiser has found the straight road!

The "100th person" who finds a genuine bargain that was not advertised, may succeed now and then. All of the "99," who read and answer ads, may find real bargains—BUYING OPPORTUNITIES. So that bargain-hunting and bargain-offering adjust themselves to this law.

Ninety-nine per cent of the bargain-hunters being ad-readers, 99 per cent of the bargain-offers are advertisers! And—not less important—99 per cent of the real bargain offers made by advertisers in this paper are "accepted" by the value-knowing readers of this paper!

CLASSIFIED ADS—ONE CENT A WORD.
