EAGLE POINT EAGLETS

By A. C. Howlett

Miss Bertha Ditsworth and her sister, Jane, were pleasant callers the last of the past week on their way to Medford.

Rev. M. C. Davis, Sunday School missionary for the Congregational church, requests the Mail Tribune to announce that there will be a general Sunday School picnic on children's day, June 12 on the banks of the Rogue River, about a mile below the Hybee bridge, entrance to the house. All the Sunday schools are invited to come and take part in the exercises.

Rev. Leadford commenced a protracted meeting here last Friday night, May 13, and expects to continue all this week.

Ball Game.

Last Sunday the Medford baseball team came out and played against the Eagle Point team, with the result that Medford came out second best. There was not much interest manifested, as the crowd in town was not near as large as it was the Sunday before.

Emil Pell, Miss Nino Emery, Miss Lina Cassey and Miss Ada Erb, all of Ashland, are reported to have been among the guests present at the Sunnyside last Sunday. Mr. Pell is one of the leading business men of Ashland and the three young ladies are descendants of the old pioneer stock of Jackson county, Oregon.

Bert Higginbotham and his brother John were pleasant callers Monday. Bert went on to Medford for some household goods and John returned to his home in the Big Butte country.

Mr. Colby and two of his sons, as well as one of the Meeker boys, all of Big Butte, were pleasant callers Monday. Mr. Colby's son came out to settle up with the county court for work done on the county roads, he being one of the deputy supervisors.

Cuts Much Wood.

W. E. Hammel, who owns a large tract of land on Reese creek and had a lot of wood cut last winter, is now delivering the same to the citizens of Eagle Point.

Mr. Bailey of Butte Falls, our telephone man, has been stopping at the Sunnyside the past two days, installing our new switchboard and removing the old one out of Brown & Son's and intends to put the old one in Butte Falls. The new one is put in A. B. Zimmerman's store.

B. W. Harnish is having a water wheel put into the creek on his place to raise water for irrigating purposes. Mr. Deter is doing the work.

W. L. Childreth has taken his wife and small children up on Elk creek to stay with his brother Henry for a while.

Serious Accident.

Clasper Nelliss, son of the man who bought the Plouce Rock ranch, had a serious accident happen to him a few days ago; in driving one of the tugs come unhooked and the horses started to run, throwing him off of his balance and after running about a hundred yards, ran into a tree and almost demolished the wagon, throwing him out and bruising him up quite badly. Just as it happened Elmer Demson of Trail happened along and stopped the team and helped him to get the wagon together so that he could take it to his shop.

Elmer Demson, Miss Myrtle Peyton and Key Kincaid came out early Tuesday from Medford in an auto to try to catch the 6 o'clock stage. But reached here a little too late. They took breakfast at the S. S. and after breakfast started on for their home, Peyton, a distance of 26 miles. They are the kind that don't stop for trifles.

Mr. and Mrs. Thomas Wilson, recently from Eugene, have moved onto the tract of land they bought of the Stoddard tract, known as Eagle Heights, and are preparing to build this summer.

Austin Green started for Los Angeles last Monday to join his mother and take the Christian Science treatment for his complaint.

Clyde Plymire and wife were pleasant callers Tuesday afternoon. They were on their return trip from Butte Falls, where they had been on a prospecting tour for a business location.

The Hogs Got Away.

Artie Nichols, one of the firm of Nichols, Jackson & Co., while running a hog the other day fell and struck his breast against the end of a scantling, breaking one of his ribs and at the same time bruising him up.

James W. Berry, wife and daughter, Miss Ruth, and Mr. and Mrs. O. Chaffee and twins, stopped at the Sunnyside Tuesday for dinner on their return trip from Butte Falls, where they had been spending a few

days. Mr. Berry is now located in Medford, although they have been from Ohio but a short time, and Mr. Chaffee is engaged in business in Medford.

There was a party of men stayed at the S. S. Tuesday night, who were on their way up the country to join the railroad surveying party. They were with Jud Edsall, who is hauling provisions for the party.

C. J. Ford of Falls City, Wash., was here Tuesday night looking for a situation.

Professor P. H. Daily informed me that all of the seven applicants who applied for the eighth grade certificates passed except one, and he passed in everything except in spelling, and that he will take that in June. He was so anxious to hear that he called Superintendent Mills up on the phone and asked him. He admits himself that he was surprised at the results.

Scott Bonice, who has been spending the spring and summer on his homestead near Dudley, came out a few days ago and is engaged at his trade for Mr. Haak, and next week will go to work finishing up Mr. Jordan's house. He is engaged to build a large barn for Mr. Haak this summer.

BOY GORED BY MAD COW; PROBABLY DIE

BORING, Or., May 19.—Only slight hopes for the recovery of 9-year-old Louis Hoffman, who was gored by an enraged cow last night, are held out by physicians today.

The lad was standing near the door of a slaughter house when a cow, infuriated by the smell of blood, lunged at him.

One of the animal's horns struck him in the mouth, knocking him down. The cow gored him slightly in the side and was preparing to make a second onslaught when the boy was rescued. He was unconscious when taken to his home.

OAKLAND POLICE AID CENSUS ENUMERATORS

OAKLAND, Cal., May 19.—Police officers here today began systematic canvass of their beats to ascertain if the United States census enumerators failed to count every one in the city.

The officers were instructed by Superintendent of Police Adelbert Wilson how to proceed with the verification of the census men's work.

The idea of the city police seeking the possibly uncounted residents was suggested by the chamber of commerce in a communication to the city council. The city fathers approved the plan and instructed the superintendent of police to order his men to comply.

RAINS STOP FOREST FIRES IN MINNESOTA

ST. PAUL, May 19.—A telephone message from Walker, Minn., today, said the forest fires which threatened that town and the State Tuberculosis Hospital, near there, had been checked by a light rain and the danger was temporarily passed. The same report came from Mendota. The prospects for heavy rain were promising.

FOOD FERMENTING CAUSES INDIGESTION

"I got a box of Mi-o-na tablets for a distress in my stomach, and the first dose relieved me, and after I took the fourth I have not felt any more of it. I think it is a wonderful medicine."—Hiram Shultz, Wataeka, Ill., July 27, '09.

If your stomach is out of order or distressed, no matter from what cause, Mi-o-na stomach tablets will give instant relief, and if taken regularly, will cure indigestion, acute or chronic, or money back.

Every sufferer from stomach trouble, gas, belching, sour stomach, nervousness, dizziness and biliousness, should get a fifty cent box of Mi-o-na stomach tablets today and start a treatment.

In three days' time the stomach and bowels will be thoroughly purified, cleaned and renovated, the sourness will go, and pure, sweet breath will take the place of foul breath.

Continue the treatment for two weeks and the stomach will become so strong that it will be able to digest the heartiest meal without distress. A few Mi-o-na tablets will do this. Sold by druggists everywhere and by Chas. Strang.

YOU CAN BUY--YOU CAN SELL

THIS ISSUE contains an offer of something you want to buy—something to obtain which you'd make a journey, and change cars, and hike to out-of-the-way streets, and look up obscure addresses—if you had to.

The next issue SHOULD contain an ad of something you have to sell—something the other man wants, and wants "really and truly."

You can buy—you can sell.
