HAND CUFF KING AT ISIS THEATER

Marshall, the Handcuff King.

Is shackled by the San Francisco police. Marshall and his company will appear for a week's engagement at the new Isis theater, commencing tomorrow night. Marshall offers \$100 to officers who produce prison irons from which he cannot escape.

NIGHT POLICEMEN ROUND UP HOBBOES

Night Officers Kincaid and Atwell investigated the box cars and lumber yards Friday night, and their total catch was eight hobboes who had been making a practice of sleeping therein. The bunch was taken to the city jail and later a fellow who imagined he was being chased by enemies was taken from a Main-street rooming house and thrown in. That made 11 men in the two cells of the jail. The accommodations were somewhat crowded, but the bunch seemed to get along in a pleasant fashion.

Four of the eight were sent out on the P. & E. and the others made their way north.

Meeting of the W. C. T. U.

The W. C. T. U. held a very enthusiastic meeting Friday afternoon at the Baptist church. The roll call showed a membership of 165. Owing to the fact that she will leave the city in the near future, Mrs. C. J. Mizer, the secretary, tendered her resignation. Of necessity this was accepted, though we much regret that we are so soon to lose such an active and capable worker. Mrs. Price was elected to fill this vacancy.

Mrs. Lozier announced that she expects to be in the east during June attending a meeting of the American Woman's league, and that Mrs. A. A. Holmes has consented to act as president during her absence.

The next meeting will be held the second Thursday in June.
