

## CITIES AWAIT CENSUS RETURNS

Much Interest is Taken by Cities Over the Country Concerning the Number of People the Enumerators Gave Them.

WASHINGTON, May 21.—Now that the census enumerators have finished their work, every community in the country is holding its breath, figuratively speaking, and listening with every muscle tense for the announcement from Washington which shall either confirm its hopes that it has outgrown some rival community or tell it that its hopes are not well founded. And it may not accept the verdict at all, for some of the growing and ambitious cities have caused delay until they could prove that every one within their borders had been counted.

Two cities which were so thoroughly satisfied the census enumerators had skipped a large number of their citizens that they were not willing to abide by the results, are Galveston and Houston. These cities decided to have an independent count made by their own representatives. The commercial organizations communicated with the director of the census and secured his consent to have the local supervisor of the census in Galveston and Houston delay the making of their returns until they could check up the lists with the boards of trade. Not many cities have gone so far, although it seems that almost everywhere there have been complaints that every one has not been counted, and the time for closing the lists has frequently been extended. Seattle and Portland are among the cities which have not been satisfied that the work was well done. Sacramento, San Francisco, Los Angeles and, in fact, many western cities have exhibited doubt about the count. In San Francisco it was claimed that 5000 Chinese who were engaged every year in the Alaska fisheries should be credited to San Francisco. Seattle also claims some of these fishermen. It is alleged that they work for about three months in the north and then return to their home cities for the remainder of the year. The census office is now engaged in verifying these claims.

### NEEDFUL KNOWLEDGE.

Medford People Should Learn to Detect the Approach of Kidney Disease.

The symptoms of kidney trouble are so unmistakable that they leave no ground for doubt. Sick kidneys excrete a thick, cloudy, offensive urine, full of sediment, irregular of passage or attended by a sensation of scalding. The back aches constantly, headaches and dizzy spells may occur and the victim is often weighed down by a feeling of languor and fatigue. Neglect these warnings and there is danger of dropsy, Bright's disease or diabetes. Any one of these symptoms is warning enough to begin treating the kidneys at once. Delay often proves fatal. You can use no better remedy than Doan's Kidney Pills. Here's Medford proof:

Mrs. Sella M. Van Winkel, 324 W. Jackson street, Medford, Or., says: "I first learned of the merits of Doan's Kidney Pills while living in Patterson, N. J., and so well did they serve me at that time that I have used them on every occasion since then, when I have had backache or trouble with my kidneys. I find that a box or two of Doan's Kidney Pills, used in the spring and fall, keeps my kidneys in good working order."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.

### LONGWORTH TO BE TAFT'S CHAMPION

WASHINGTON, May 21.—Nicholas Longworth, son-in-law of Theodore Roosevelt and a junior member of the ways and means committee, will be President Taft's champion on the floor of the house when the item providing for the tariff commission investigation is reached in the sundry civil bill.

Mr. Longworth has come forward to help the president and it will be the young Ohioan's oratory which must save the appropriation. Mr. Longworth will be pitted against such men as Senator Payne, John Dalzell, Representative Fordney of Michigan, Champ Clark, the democratic leader, and others who have been in congress many terms.

The Cincinnati congressman is convinced that congress should appropriate \$250,000 to get information on tariff conditions at home and abroad.

## HANAN SHOES

Once you experience the luxury of wearing comfortable shoes that hold their shape, with a style made permanent by fine material and skilled workmanship, no other shoes will satisfy you thereafter.

We are speaking of Hanan Shoes. Selling them is the easiest thing we do because there is nothing to explain. The shoes tell their own story and every wearer tells it to his friends. Try Hanan Shoes once.

## CENTRAL POINT NEWSLETTER

Mrs. Fred Roper of Grants Pass is visiting her parents, Mr. and Mrs. Isaac Williams, of this city.

The Central Point hotel has a new cook. It also has an abundance of other new things, a van load of new furniture having arrived yesterday from Medford.

Mrs. Washburn of Table Rock arrived at Central Point Friday morning from an extended visit in Portland. The colonel met her with his automobile.

Mrs. Rebekah Moore will begin about July 1 the erection of a modern cottage upon the lots owned by her in this city. She intends to occupy the cottage, when finished, as a home.

Rev. Robert E. Johnson, the evangelist, arrived on the 10:20 train Friday and will preach his first sermon Saturday evening.

Dr. Williams of Richland and his mother, Mrs. H. L. Williams, of Oregon City, stopped in Central Point Friday on their way to Big Butte to visit Mrs. Rachel Allen, mother of Mrs. Williams. Mrs. Allen is also the mother of John Allen, a prosperous ranchman of Big Butte, and is an inmate of his home.

O. Wyss of Portland and W. R. Pittenger, John Hitzler and Peter Huggins of Medford registered yesterday at the hotel. Mrs. Price returned home this morning after a four days' sojourn in Eugene, during which time she attended the grand lodge of Rebekahs as delegate from the Central Point lodge.

C. W. McDonald, who, though a resident and business man of Medford, is connected with the firm of Faber & McDonald in this city, dropped in for a few hours Friday and found things looking good in Central Point.

E. A. Fitzgibbon, A. L. Johnson and A. W. Stevenson, connected with the Jacobs-Scine company of Portland, were in town Thursday endeavoring to find buyers for lots in the Wellington addition, a tract recently platted and opened in the suburbs of Portland. To offer bargains in Portland real estate to people who don't have to walk ten blocks to find better ones is like "carrying coals to Newcastle," and it is a safe guess that they did not find many enthusiastic investors.

No services were held in the tabernacle on Friday, the evening advertised for the opening night, as Rev. Johnson failed to arrive, but a rousing song service was held under the leadership of Charles E. Grey, and most of the audience which had assembled to hear the evangelist remained and listened to the music with evident enjoyment.

George H. Merritt, son of our well-known merchant and orchardist, J. W. Merritt, has accepted a school in San Rafael, Cal., and will teach there for the school year, beginning early next August. George is a fine boy and though still in his earliest manhood, has evinced the sterling qualities and the ambition that promises success in life.

School closes today (Friday), after a very successful year under the direction of Professor F. F. Cooper. Only a very few of the pupils failed to pass their final examinations, and in nearly all of these cases sickness had kept the pupils from attending regularly, as in a few cases, the pupils had recently entered from another state, where different books

were used and a different system of grading is maintained.

D. R. Doane, a prospector from Boulder, Colo., was in town on Thursday. He is seemingly well acquainted with the gold fields of Colorado and was surprised that the people of the Rogue River valley do not say more about the rich deposits of gold in these hills.

Cottage prayer meetings will be held all next week at the following homes: Mrs. Nancy Obenchain, Mrs. Warner, Mrs. Stedham, Mrs. Green and Mrs. Bessie Randall, and the time of holding these meetings will be from 10 to 10:30 a. m. Other homes will doubtless be visited in various parts of the city in a few days.

### FRENCH AVIATOR FLIES SIXTY MILES AN HOUR

MOURMELON, France, May 21.—Cheuret, the aviator, in a Farman biplane, flew at the average rate of 60 miles an hour yesterday, carrying Mme. Granger. This is believed to set a new speed record for aeroplanes carrying two persons.

Cheuret's flight lasted one hour and 12 minutes. His machine responded in good shape to every demand and when he alighted he was cheered enthusiastically by those who witnessed the flight.

## Canton RESTAURANT

SAM LOCK, Prop.

The former famous chef at the Nash Grill, Mr. Sam Lock, has opened a first-class restaurant above Kennedy's saloon, No. 33 South Front street. Entrance at both sides. Only first-class meals served, and just the name of the proprietor is the best guarantee. OPEN EVERY DAY AND NIGHT. NOODLES, CHOP SUEY.

This is the only place where will be served chop suey and China noodles. Come and see me and you and I are both sure you will come back. Remember, I am willing and I preach what I promise. Yours truly, SAM LOCK.

ORLAND, CALIF.

## Roanoke Roanoke

## One of the Most Beautiful Resident Sections of Medford

Roanoke Addition is just far enough out to eliminate all noise and bustle of the business section and yet it is just right for the man who is in business. Only ten minutes' walk from the railroad. This is becoming one of the most finished residence districts of Medford. The lots all face on Main street and Rose avenue. Cement sidewalk all in. Sewer and water mains laid. The lots are high and slightly, which gives them a great advantage. Building restrictions \$2000. There are already several fine new cottages on the property. These lots are quite large, being 50x137, which gives plenty of room for garden and garage and other necessary buildings.

Come and make your selections early. Prices \$735 to \$750 for east and west front lots.

## Make Your Paint Money Buy Satisfaction

PAINT satisfaction means the working—ground-and-mixed into a perfectly uniform spreading—covering—lasting qualities of the paint. Then there's thirty-five years of paint-making experience back of it. There's neither satisfaction nor economy in cheap paints—they crack and peel and blister—won't wear. And hand mixed lead-and-oil paint is little better. But your money buys untiring satisfaction when you get "High Standard" Paint—it's made of best materials—and
