The present condition of Egyptian affairs menaces your empire and civilization. You have given Egypt the best government in a thousand years and yet you have recently erred. It is necessary to remember that weakness, timidity and sentiment alike are more harmful to an uncivilized people than violence and injustice. "You treated the pan-Egyptian movement and the religious struggles fairly and impartially. Instead of acknowledging this action, the natives took advantage of it to start an anti-foreign movement. Meet Responsibility. "Premier Boutros Pasha, a competent official, was murdered because of these facts, which show the attitude of the Egyptian Nationalists. Regarding the murder of Boutros Pasha, it shows that they not only are not desirous, but incapable, of granting primary justice. "If you feel that you ought not to be in Egypt and have no desire to keep order there, by all means get out. If you feel it your duty to stay there, show yourselves ready to meet the responsibility. You have saved Egypt from ruin, yet if it be not governed well it will again sink. Some nation must govern Egypt. I hope that you will decide that it is your duty." REPRESENT MEDFORD. The Santa Fe, Rock Island, Missouri Pacific, Frisco and M. K. & T. are co-operating to make the land show a success. All these roads have taken a section—1200 square feet—\$1800 worth of space. Taked Entire Gallery. "One bond house of Chicago, which is selling the bonds of thirty-eight communities in the west, recently made a contract for the entire gallery of the Coliseum costing \$8,750 and every district in the west bonded by this company will be represented. Seven important districts in Colorado, communities like Boise, Nampa, Caldwell, Lost River, Blackfoot in Idaho and other districts in Wyoming, Montana and Utah, will be represented on space already sold to this bond house. "The Bitter Root valley will have a splendid exhibit at the land show as well as numerous other apple districts in Colorado, Idaho and Washington. "The land show is held in Chicago's big building, the Coliseum, and has no connection with the Spokane apple show exhibit in Chicago. The shows will be separate and distinct. The land show will be held for sixteen days, opening early in November, and the apple show will be held for one week in the First Regiment Armory Building. "The land show will reach 200,000 people more than any show held in a building other than the Chicago Coliseum, because it is the only building in Chicago which can take care of the crowd, who want to see the apples of the northwest and the products of the other parts of the country."
