TWO SLAIN IN FAMILY QUARREL

Civil War Veteran Kills Son-in-Law and Then Blows Out His Own Brains—No One Witnessed the Shooting.

PORTLAND, Or., June 22.—Two men are dead today as a result of a family quarrel last night, during which C. A. Buch, a civil war veteran, shot his son-in-law, George W. Rauch, then turned the weapon on himself and blew out his brains.

Buch died instantly. Rauch lingered until midnight at the Good Samaritan hospital before he succumbed to his wounds.

No one witnessed the shooting, but from what can be learned of the men's actions previously, Rauch came to the house to affect a reconciliation with his wife, who is Buch's daughter. A week ago Rauch began divorce proceedings against his wife of a year.

It is believed that Buch became enraged at the sight of the young man and shot in the heat of anger.

Rauch's body was found lying on the floor of the dining room, while Buch's was discovered in a rear bedroom.

LOS ANGELES WOMAN TO WATCH THE GIRLS

LOS ANGELES, June 22.—Mrs. Alice Wells of Brooklyn became the first woman "patrolman" of this city on Monday. Her job will be to look after the morals of the young who appear in public places.

She was introduced at the city hall by Mrs. Hester T. Griffith, state president of the W. C. T. U., to which organization credit must go for the scheme of having a female "cop." In her application for the position Mrs. Wells wrote: "I have worked for years in various capacities among the young people in Brooklyn, New York and elsewhere."

Mrs. Wells will inspect the conduct of the young women at dance halls, skating rinks, cafes, soda fountains and picture shows and interpose her authority whenever she finds young girls in danger of immoral influences.

CRACKED GUNS FOR AMERICAN NAVY

WASHINGTON, D. C., June 22.—"If have information based on sworn affidavits that cracks in guns made by the Bethlehem Steel company have been put up by experts in order that they might pass inspection," declared Representative Hughes of New Jersey, in advocating the construction of battleships in navy yards, during a discussion of a conference report upon the naval appropriation bill in the house.

"And these guns," added Mr. Hughes, "are more dangerous to the man behind them than they are to the enemy in front of them." Mr. Hughes said he would offer a resolution providing for an investigation.

Want New Trial.

KLAMATH FALLS, Or., June 22.—J. E. Pierce and Major Charles E. Worden of this city, against whom a judgment for \$23,901.10 was rendered in the federal court in Portland recently in the case of Alfred Daniels against them, have announced that they intend to ask for a new trial. In case this is refused they will carry the case into the United States federal court.

This litigation grew out of the sale of 18 certificates of purchase issued by the state land board for timber lands which Oregon did not own. The certificates were adjudged worthless. Daniels had bought a number of them and sued to recover his money.

Two Italians Murdered.

SCRANTON, Pa., June 22.—The sounds of shots near the telegraph station at Council Junction early today caused Operator John Kane to begin an investigation that resulted in his finding the bodies of two Italians, both of whom it is believed had been murdered.

The elder of the two Italians wore a false moustache. The authorities believe that he shot and killed the younger man and was then shot down by a companion of his victim.

SCENIC RAILWAY INJURES MANY

Five Fatally Hurt and Nine Seriously Injured—Car Topples Over 50-Foot Embankment—One Man From Los Angeles Will Die.

NEW YORK, June 22.—Five persons were fatally hurt and nine seriously injured when two cars on the Coney Island Scenic railway toppled over a 50-foot embankment today. Henry Flacher, of Los Angeles, one of the injured, will die.

MESSAGES DELUGED ROOSEVELT'S SHIP

Wireless Carries Flood of Words to and From the Liner at Sea—Receipts Were Over Six Thousand Dollars for Trip.

NEW YORK, June 22.—Theodore Roosevelt received an average of more than 100 wireless messages a day during his trip across the Atlantic. His presence on the Kaiserin Auguste Victoria was responsible also for a flood of outgoing messages. The total number of words received and transmitted established a record for trans-Atlantic travel.

Two young German operators, Kurt Schicks and Walter Rodenstein, both of Hamburg, were in charge of the Kaiserin's wireless apparatus. They worked alternately, day and night, averaging about four hours' sleep a day for the voyage. Their reports to the steamship company showed that the total number of words received and transmitted was slightly over 60,000, about evenly divided between incoming and outgoing messages.

The receipts for messages sent from the ship were \$6000—more than double the highest amount ever received by the wireless company for a trans-Atlantic trip on any vessel. The messages received by Colonel Roosevelt were from every corner of the globe. King George of England and former Vice-President Charles W. Fairbanks were among the notables who had greetings for him in mid-ocean.

Colonel Roosevelt at first attempted to reply to each one, but before the voyage was fairly under way the messages came in such numbers that he was compelled to let them go unanswered.

The squad of press representatives who came across the Atlantic with the ex-president included ten correspondents, three cartoonists and five photographers.

CROPS IN DAKOTAS NOT SO BADLY INJURED

BISMARCK, N. D., June 22.—A journey over the Dakotas and Montana, in which territory drought was reported, shows today that the reports of damage to crops were greatly exaggerated.

If the hot winds cease and rain comes within 72 hours it is predicted 75 per cent of the crops will be harvested.

High temperatures are still reported in the northwestern section.

Furnished Rooms May Be Rented Profitably!

Just to have "furnished rooms to rent" is no great feat—or novelty. It is said that one in every three families in the city rent furnished rooms. The number of people whose homes are in furnished rooms, "homes within homes," is very large.

And among the people who live in "one-room homes" are an increasing number who like to have things a little better THAN USUAL. They like to have a pleasant room, and they like to have it fitted up DISTINCTIVELY, with taste.

They will cheerfully, eagerly pay for SOMETHING BETTER in the way of a furnished room. Fix yours up to please the particular tenants, and ADVERTISE ACCORDINGLY, and you'll get back your investment with profit in a very brief time!

LITTLE TROUBLE ATTENDS ELECTIONS IN MEXICO

WASHINGTON, D. C., June 22.—According to the Mexican ambassador today, the reports of revolutionary uprisings in Mexico are exaggerated and the authorities declare the situation is not serious. He said the trouble is no more than the usual disorders incident to a presidential election. The "revolutionists," he said, are few in number.
