GRASS FIRE MAY CAUSE AUTOMOBILE FINES

A grass fire on North Central avenue which might have resulted in a serious blaze Tuesday afternoon, may be the means of causing some automobilists to be a bit more careful about running over hose lines.

Three autos are known to have violated the ordinance in that respect at Tuesday's fire, and warrants will be issued for the arrest of the offending chauffeurs. The mayor was absent from the city Wednesday morning, but is expected to try the cases this afternoon.

The violation of the ordinance was likely more through carelessness than intention, but the damage by the bursting of a hose in case of a big fire would be just as great whether intentional or accidental.

HAPPY CHOICE OF NAME FOR BENO FIGHT CLUB

SAN FRANCISCO, Cal., June 22.—A bunch of happy fight fans filed out of the Rickard-Gleason office here today bearing in their hands bright yellow bits of pasteboard with the name "Marathon club," and coupons, calling for choice seats in the as yet unbuilt Jeffries-Johnson arena at Reno. It was a brisk day in the fight ticket line, the fastest since Governor Gillett first took action against holding the contest in California.

One smiling holder, gazing at his ticket, declared the club's name was certainly a happy choice.

"It had been a Marathon since the promoters started out to find a site. From Emeryville to San Francisco and then on to Reno," said the fight fan, "and now the rest of us will have to Marathon up to Nevada; but it's worth the hike."
