

**CITY NOTICES.**

**ORDINANCE NO. 347.**

An ordinance assessing the property adjacent to and benefited by the eight-inch lateral sewer constructed along East Eighth street, for the cost of constructing the same and providing the manner of carrying said assessment into full effect.

The City of Medford doth ordain as follows:

Section 1. Whereas, the council did heretofore provide by ordinance for the serving of the owners of property adjacent to and benefited by the construction of the lateral sewer hereinafter described to appear before said council and show cause, if any, why said property should not be assessed for the construction of the said sewer, and did fix a time for hearing any such protests, which notice was given in accordance with said ordinance more than ten days before the beginning of the construction of said sewer, but no protests against said construction was by said council ordered constructed.

And whereas, the cost of the construction of said sewer has been and hereby is determined to be the sum of \$956.25.

Now therefore, said city doth ordain and declare that each parcel of property described below is adjacent to and benefited by that certain lateral sewer eight inches in size, constructed on East Eighth street from Riverside avenue to De Anion street, and that the proportion of the costs of said sewer, which each of said parcels of land should bear, be based on the benefits derived respectively by said several tracts of land, is the amount set opposite the description of each such parcel below; that each of said parcels is actually benefited in the amount set opposite its description below by the construction of said sewer, and that said several amounts represent the proportional benefits of said several parcels from said sewer. And each of said parcels is hereby assessed the amount set opposite its description below for the construction of said sewer.

**ORDINANCE NO. 248.**

An ordinance declaring the assessment on the property benefited for the cost of laying a six-inch water main on Roosevelt avenue and directing the recorder to enter a statement thereof in the water main lien docket.

The city of Medford doth ordain as follows:

**CITY NOTICES.**

Section 1. Whereas, the city council did heretofore, by resolution, declare its intention to lay a six-inch water main on Roosevelt avenue and to assess the cost thereof on the property fronting on said portion of said street in proportion to the frontage of said property, and fix a time and place for hearing protests against the laying of said water main on said part of said street and the assessments of the cost thereof as aforesaid.

And whereas, said resolution was duly published and posted as required by section 116 of the charter of said city.

And whereas, a meeting of the council was held at the time and place fixed in the said resolution, for the purpose of considering any such protests, but no protests were at said time or at any other time made to or received by the council to the said laying of said water main or the assessment of the cost as aforesaid, and said council having considered the matter, and deeming that said water main was and is of material benefit to said city, and that all property to be assessed therefor would be benefited thereby to the extent of the probable amount of the respective assessments to be levied against said property, did order said main laid.

And whereas, the cost of the said water main has been and hereby is determined to be the sum of \$1517.58.

Now therefore, it is hereby further determined that the proportionate share of the cost of laying said water main of each parcel of property fronting on said portion of said street is the amount set opposite the description of each parcel of land below, and that each piece or parcel of land benefited by the laying of the said main to the full extent of the amount so set opposite the description of the same, and that the respective amounts represent the proportional benefits of said water main to said respective parcels of land, and also the proportional frontage thereof on said street, and the council does hereby declare each of the parcels of property described below to be assessed and each of the same is hereby assessed to the amount set opposite each description for the cost of laying said water main.
