

EAGLE POINT EAGLETS

By A. C. Howlett

S. A. Morse of Roseburg was a pleasant caller Wednesday. He was on his way to Brownsboro on a business venture.

Mr. and Mrs. William Brown of this place, who have been visiting relatives and friends in Portland, returned last Tuesday night on the P. & E., but your Eagle Point correspondent did not learn of it until after he had written and posted his last letter. Their uncle, William Brown, came home with them. Mr. Brown has spent several months here the past year. He is a brother of our townsman, George Brown.

S. B. Holmes and wife have returned from an extended visit to friends and relatives in British Columbia.

Dr. Banner and his sister-in-law, Mrs. Fred Banner, and her son, Al, called for dinner Thursday on their way to Medford. Mrs. Banner was on her way to her home in Nevada. She had been visiting her brother-in-law and family and his sister, Mrs. Adams, near Derby.

Al Cox of Ashland, a representative of a tea and coffee house of that place, called here Thursday on his way to the neighborhood of Derby to look at a tract of land in that section, but when he reached here decided that he would not have time to make the trip and get back to Ashland in time to meet his engagement there.

Mr. Thomson, formerly of Yankee creek, but now of Lake Creek; James Culbertson and son of Lake Creek, were all here Thursday. They report everything in their section in a prosperous condition.

The two men, Messrs. Martin and Goodwin, are rushing the pipe to the front as fast as they can, and the pipe layers are putting it in place as fast as they can. There were two men came with teams, started to haul pipe for them, but only made one trip. They found that there was some work connected with hauling pipe, especially over some of the roads.

J. W. Grover and family have been attending the Baptist convention in Medford for the last few days. They expect to return today (Saturday).

F. L. Findley of Medford, representing the Hale piano house of that city, was a pleasant caller Thursday. He had been up in the neighborhood of Trail and was just returning home.

The Shepard Bros. of Ashland were with us the last of last week and up to about the middle of this, canvassing for the Shepard piano house of Ashland, so you see that

Eagle Point is attracting the attention of the musical element of business men.

Mrs. R. L. Sandy, a traveling woman, was here trying to arrange to secure a house to exhibit her moving picture show, but did not succeed, as Mr. Daley, who owns the dance hall, was away from home, and she failed in securing the church building for that purpose.

The report was going the rounds the other day that Mrs. T. E. Nichols had lost a handbag containing \$85 in money and \$10,000 in notes and securities, but when she returned home she found the bag hanging in its place and that she had made a mistake and taken the wrong bag, one that did not have the cash and notes in it.

Mr. Vaughn of Peyton was with us last Friday night and reported that Mr. Paine, who bought the Alfred Gordon place, on Rogue river, came near getting killed the other day. He was riding a wild horse and he reared up so straight that he thought that he would fall over, so leaped forward and the belt of his chaps caught on the horn of the saddle, and as the horse came down he commenced to buck, and he fastened to the horn of the saddle, and, being a heavy man, his weight hanging there caused the saddle to turn and he fast to it so that he could not clear himself from the horse, and he kicking and bucking all the time. There was a crowd of men there, but the animal was so scared that he could see nothing, but finally his belt broke and he came loose and the horse dashed through the crowd and ran about a mile before he was caught. Fortunately for Mr. Paine, he got off unhurt, but he said that he could see the horse's shoes as he would kick and strike at his head. He has come to the conclusion that he does not have riding enough to justify his riding such a horse.

Mr. Ditsworth was among the callers last Friday night, over after a load of box material to pack his berries and fruit in, and some cherries to take to Fort Klamath. He will finish out his load at home.

Jess Frodenburg came out from Butte Falls last Friday after a load of machinery for the Butte Falls saw mill. He says that this load will finish up hauling the machinery for that mill, except a new water wheel that will be put in later.

Your Eagle Point correspondent was in Medford Friday, consequently cannot give all the news this (Saturday) morning.

MEDFORD WINS ITS SEVENTEENTH GAME

Beats Grants Pass Decisively Sunday—Nothing to It After the Boys Commenced Landing on Ball.

For three innings Sunday it was 1 and 1, then an error, a walk and a couple of hits brought in three runs for Medford.

In the first for Medford Henselman struck out, Strain hit to right center. Miles followed with a hit in the same territory, and while he was being put out trying to stretch it into a double Strain scored. Isaacs fanned.

For Grants Pass—H. Faubion hit, but was caught stealing Hill to Miles. Baker and Smith both fanned.

Second inning, Medford—Music out short to first; Blackington walked, but was caught third to short on Rader's infield bunt. Hill fanned.

Grants Pass—Williams walked. S. Faubion fanned. Riggs was safe on error of Strain. Schmitt went down on a fielder's choice and Williams scored. Cook walked. Osborne got on by error of third, filling the bags. Riggs was caught napping on third, catcher to third, and Faubion went out third to first.

In the third Medford cinched the game. Burgess guessed wrong and fanned. Henselman got life by an error of Williams and stole second while Strain was getting a walk, and later purloined the third bag. He was caught, however, at home on Miles' bunt, Strain taking third. Isaacs sent a sizzler through right on which both Strain and Miles scored, and Isaacs crossed the pan a short time after on Music's long single. Blackington went out, Osborne to Cook. That made three scores and seemed to take the heart out of the ex-champions, although in the fifth they managed to put over a couple more. Ten to three was the final score.

The score by innings:
Medford 1 0 3 0 2 3 0 1 *
Grants Pass.... 0 1 0 0 2 0 0 0 0
R. H. E.
Medford 10 10 2
Grants Pass 3 4 3

"SIGN OF THE FOUR" GOES ON TONIGHT

For this week, the third of the engagement of the Athon Stock company at the Medford theater, an exceptionally large production is to be given, "The Sign of the Four," one of the best known American dramas ever written. The record which the Athon Stock company has already made in this city is such that audiences now realize the sincerity in the statement made by Mr. Athon when the company first appeared here, that only the best plays would be given.

"The Sign of the Four" is undoubtedly known to nearly every reader of popular fiction of this city. It was really the first of Sir A. Conan Doyle's stories to score a huge success. So great was the favorable comment upon the initial production of the play in New York City that it was soon followed by a number of other plays with Sherlock Holmes as the central figure. Some of these plays scored a success second only to that of "The Sign of the

WILLIAM D. HOWARD AS SHERLOCK HOLMES.

Four," while others, and they were greatly in the majority, met with an inglorious end, being withdrawn within a short time after receiving their premier.

For two seasons "The Sign of the Four" was the vehicle for an all-star cast of actors of note, and it scored one of the most pronounced triumphs of any play in the last decade. That "The Sign of the Four" is fully as successful when produced by the capable stock company as when it is given by a road organization is shown by the manner in which it was received recently by the discriminating Oakland and San Francisco people. The play was produced by the stock company of Ye Liberty theater in Oakland and by the Valencia Theater Stock company in San Francisco and proved to be one of the biggest stock successes ever seen in those cities.

"The Sign of the Four" is easily the most expensive play which the Athon Stock company has yet given the patrons of the theater. Manager Athon is compelled to pay an exceptionally large royalty for the privilege of conducting the play for one week, and this expenditure is but a small item of the expense of producing this play, as an unusually large amount of special scenery will be required. No expense will be spared in the effort to make the play the finest ever offered by a Medford stock company.

DR. GOBLE'S OPTICAL PARLOR REMOVED TO 235 E. MAIN STREET, OVER STRANG'S DRUG STORE.

Where? and Why

Every woman who starts out to buy flour has in mind a definite place and a good reason for going to that place.

Why? Why does she insist on a certain brand of flour? Simply because she has tried that particular brand and found that it was just the best in the land for making bread and pastries.

Where? Are all women satisfied with the flour they are using?

No; not by a jugful. They are asking, Where can I get the right flour?

The best answer to that question is Pure White. Get a sack of Pure White and your flour troubles will all be ended. You are sure to get the best results. No poor bread—no ammunition biscuits or poor pastry.
