on the possibility of what may hap- the fight. pen in case the battle goes the full imit with nothing to choose between the two fighters.

Jeffries, it has been asserted with more confidence within the past few days than at any time since it was with ease. The same claim has been made for Johnson. But if they do go a verdict, will Jeffries stand for a 'draw," after all the clamor about the restoration of the heavyweight crown to the white race?

Tom Flanagan, on behalf of Johnson, declared unequivocally that if the fight goes the prescribed limit without the referee being able to call a winner, Johnson will be perfectly willing to go as far as necessary to arrive at a decision, even The clothing so far made ready con- and practically on every day when if a knockout be demanded. Will Not Go Limit.

"We do not believe that the fight will go the limit because we feel confident that Johnson will win long before the 45th round is reached," said Flanagan. "For this reason we + have never figured on the contin-· geney of its going further than the + limit called for by the articles of agreement, but if at the end of the 45th round Rickard is unable to pick the winner, then we will be ready to proceed 10, 15, 20 or even afternoon.
