### HONOLULU YACHT RACE POSTPONED

SAN PEDRO, Cal., July 9.—The biennial San Pedro to Honolulu yacht race, under the auspices of the South Coast Yacht club of Southern California and the Hawaii Yacht club of Honolulu, scheduled to start at noon today from San Pedro, may be postponed until next Tuesday.

It was announced early today at the coast club's headquarters here that the yacht Winsome, which will start under the South Coast club's colors; will not be prepared to sail until Tuesday. Another report was current that the Winsome could not qualify under the rules for the race.

Commodore R. C. P. Smith of the South Coast club refused to comment on this report, stating that an official announcement of the time for starting the race probably would be made during the morning.

The Winsome recently was added to the list of entries. The other yachts which will make the trip are the Sweetheart; the Mollie, sailed by Commodore Louis Ward of the Aeolian Yacht club of Alameda, and the Hawaii, the representative of the island yachtsmen.

The Hawaii will be sailed by Captain C. T. Wilder and will carry as a passenger "Prince Cupid" Kallanole, the Hawaiian delegate to congress.

### COMPANY NEEDS SUPPORT TO STAY

To Medford Theatregoers:  
The Athon Stock company, which has just completed four weeks of its summer season here, has under consideration a proposition from the Lyric theater, Portland, which it will be compelled to accept unless business improves here during the next two weeks. It is a deplorable fact that the business has fallen far short of what it should be for Medford. The company has demonstrated beyond all doubt that it is the best organization, outside New York companies, that ever appeared in Medford. I venture the assertion that it will be a long time before we have such an excellent stock organization here. The people are all anxious to stay, but Mr. Zimmer and myself cannot afford to operate the company at a loss, as we have done for the past two weeks. There is a crying need for a new theater here, but if we have to close this company on account of poor business I fear it will be a decided blow to the project.

It is up to you—do you want this company or not? This coming week will tell the tale. "Whose Baby Are You?" is a splendid comedy and our plans are to follow it up with "In the Bishop's Carriage," "The Squaw Man," "The Heir to the Hoorah," etc. If you want to keep the show here, show it by your patronage and boosting.

### MAN SHOT DURING QUARREL OVER FIGHT

ELLENSBURG, Wash., July 9.—As a result of a quarrel over the Jeffries-Johnson fight, Richard Henry, colored, is in jail today, while Sam Bowles, another negro whom he shot, is in a precarious condition at a local hospital.

After shooting Bowles through the arm, Henry surrendered himself to the police.

Bowles has a white wife. He believed that Jeffries was a better fighter than the black champion. He was explaining the ability of the white man to whip Johnson when Henry began shooting with a shot-

### GILLETTE URGES LAW BARRING FIGHT FILMS

SACRAMENTO, Cal., July 9.—The California legislature, at its next session will pass a law barring prizefight pictures from the state, if the wishes of Governor Gillett are followed.

Governor Gillett has said the exhibition of fight pictures should be stopped.

"I believe that the legislature at its next session ought to enact a law making it a crime to exhibit pictures of a prize fight or others which tend to corrupt public morals," said Gillett. "In my opinion, the different municipalities of the state ought to at once pass ordinances to the same effect."

### NOTED ENGLISHMAN TO TOUR THIS COUNTRY

SAN FRANCISCO, Cal., July 9.—Sir Lorstone Poulett, who, with Lady Poulett, arrived on the steamer Chi Yo Maru from the Orient, today is arranging the details of a trip through Canada and the United States before returning to England. Lord Poulett achieved fame in England through distinguished service in the Boer war. Later he gained added publicity by a romantic marriage with a chorus girl, who now is Lady Poulett. Moreover, he is famous as the son of the late Earl Poulett, whose marital wager is the most startling in the annals of British aristocracy.

The present earl's father once wagered that he would marry the first girl he met after leaving his club. The girl happened to be the daughter of a harbor pilot. The earl fulfilled his promise and married her. After a time, however, a divorce was obtained owing to incompatibility. Later the earl married the mother of the present Lord Poulett.

After a tour of Canada and the United States Lord and Lady Poulett will return to their home at Crewkerne, England.

### GRIM BANQUETORS DRINK DEATH TOAST

PORTLAND, Or., July 9.—Five men, murderers convicted of lynching Ollie Snyder near Canyon City, Or., last winter, were taken to the penitentiary at Salem today following a banquet last night at the Imperial hotel during which they solemnly toasted each other and drank to the health of their guards.

Four of them began life sentence; the fifth, formerly a deputy sheriff, is under sentence to hang September 2.

The grim banqueters jestingly drank to a quick death if a pardon failed to arrive in time to save him.

Snyder was lynched and shot down while under the protection of Joseph Casady, a deputy sheriff of Grant county, who had been hunting Snyder for months to bring him back to stand trial for the murder of a man named Green, whom it was alleged Snyder shot to death in a quarrel at Heppner, Or. Evidence indicated that Casady, assisted by Emmett Shields, Earl Shields, Ben Hinton and Albert Green, a brother of the man killed at Heppner, were responsible for Snyder's death.

All were convicted. Casady was sentenced to death, while the others were given life imprisonment.

### SOUTHERN CALIFORNIA WILL HAVE NO PICTURES

LOS ANGELES, Cal., July 9.—Almost every city and village in southern California possessing a moving picture theater is aligned today in the anti-fight picture ranks. The mayors of Los Angeles, Riverside and Ontario have instructed their police to close any theater attempting to exhibit the pictures. The city council of Redlands passed an ordinance prohibiting the exhibition of pictures of prize fights and "other films the production of which is a direct assault upon the public morals."

Corona's council passed similar ordinance.

The mayors of Pasadena, San Bernardino and Long Beach are investigating their legal right to suppress the pictures and have intimated that they will take any possible steps to prevent their exhibition.
