COUNCIL CUTS WATERING HOURS

Now Unlawful to Irrigate Between 8 in the Morning and 6 in the Evening, or Between 9 P. M. and 5 A. M.—Much Business Transacted.

At the adjourned meeting of the city council held Friday evening all members of the council were present except Mr. Welch.

Ordinance No. 352, providing for the sprinkling of certain streets and assessing the cost thereof to the property owners was passed.

A permit was granted to the Big Bend Milling company for the erection of a building at the corner of Central avenue and Sixth street. As the building is now pretty well along, it looks like the council must have overlooked something.

The reports of the recorder, treasurer, engineer and plumbing inspector were filed and referred to the proper committee.

Ordinance No. 353, providing for the refunding of \$30,000 of general fund bonds was passed.

Ordinance No. 354, declaring the cost of assessment on West Tenth street, was passed.

Resolutions to pave South Grape from Eighth to city limits, to pave North Oakdale from Fourth to Palm, West Eighth from Fir to Oakdale, Ivy from Main to Sixth, West Second from North Holly to city limits, South Riverside from East Main to Twelfth, were passed.

Also it was resolved that North Riverside should be paved with asphalt pavement.

Ordinance No. 356, declaring assessment for water main on Dakota avenue was passed.

Ordinance No. 355, to construct a sewer on Dakota avenue from Peach to Newtown was passed.

A resolution was passed prohibiting the use of city water for irrigation purposes, except between the hours of 5 and 8 a. m. and 6 and 9 p. m., was passed. Until the new system is fully connected up there will not be enough water if it is used as wastefully as at present, consequently the regulation has been deemed necessary.

In response to the request of the Jacobson-Bade company for the use of fire hose for settling their trenches, the chief of the fire department was instructed to lend said company 300 feet of hose.

FIRST CASE UNDER NEW LAW TO START SOON

CHICAGO, Ill., July 9.—When a "Miss Jensen" appears before the federal commissioner here July 15 to answer a charge of procuring girls for immoral purposes her case will be the first prosecuted under the white slave traffic act provided by congress shortly before adjournment.

The woman was taken into custody on a charge of securing girls for a Houghton, Mich., resort.

BATTLER FALLS BEFORE ONSLAUGHT OF CUPID?

LOS ANGELES, Cal., July 9.—Batling Nelson, former lightweight champion of the world, is in Los Angeles today, en route to his O-Bar ranch in New Mexico.

After a three-day stay on the ranch, according to his outline of his plans, he will go to Chicago on a secret mission.

Batling has several close friends in Los Angeles. They are confident that the pilgrimage to Chicago is destined to end at the bridal altar.

Nelson today refused to confirm the report that he will be married. He smilingly intimated that the reason for the eastern trip are his own business, although he said the trip may have results that will interest the public.

ANNOUNCEMENT.

The contract for excavating the lot northwest corner Main and Ivy streets has been awarded to Messrs. Shaska & Ament, who will at once install steam shovels and machinery to make the dirt fly in order to make ready for Hotel Medford.

MANY COLONISTS EXPECTED IN FALL

Railroads Are Preparing for Huge Rush of Settlers Into the Northwest—Homeseekers Turn Here—

The largest influx of settlers ever known into the northwest, and especially Oregon, is expected this fall. Some time within the next few weeks a conference of the Transcontinental Passenger association will be held in Chicago and arrangements will then be made for the fall colonist rates.

The date for the meeting has not been announced, but in view of the probable fact that the rates will become operative early in September, it will be necessary to hold it soon.

The opening of Central Oregon, it is believed, will lead to large colonist travel. All transcontinental lines have been advertising the opening of this territory, and especially is this true of Harriman and Hill interests, which largely control northwest roads. It is believed last year's record will be more than doubled, though travel was extremely heavy at that time. Last spring all records were broken, but even this is expected to be surpassed by the fall immigration.

One of the most important factors in bringing the tide of colonists this way is the promotion work being carried on by the Oregon & Western Colonization company, the new owners of the Willamette Valley & Cascade Mountain wagon road grant, who are throwing their properties on the market. These lands are advertised extensively all over the country.

News of the hundreds of thousands of acres of land to be had in Central Oregon has been widely spread. This, linked with the magic attached to Oregon lands, has caused the eyes of the homeseeking and investing world to be turned here.

"We are expecting the heaviest colonist travel in the history of the country this fall," said A. D. Charlton, assistant general passenger agent of the Northern Pacific, stationed in Portland, according to the Oregonian. "The fall rates will set in about September 1 and continue until about November 1. They will be amply advertised all over the country and great results are expected. The records of last spring undoubtedly will be broken."

Similar sentiments were expressed at other railroad offices in the city. In anticipation of many inquiries about Oregon, bales of literature have been gotten out for the information of homeseekers. A whirlwind advertising campaign is to be conducted and every effort possible made to induce travel this way.

The fact alone that the first six months of this year show a large increase in travel over last year is taken as another indication of heavy fall travel. Even June of this year, in comparison with the same month last year, though thousands were then attracted northward by the Seattle exposition, showed a large gain.

JACK SAYS KAUFMAN IS REAL SCRAPPER

CHICAGO, July 9.—If Jack Johnson must find a scrapper who will give him a real run for championship honors, that man, Jack believes, is Al Kaufman.

"I've boxed lots with Kaufman," said Johnson, "and found him there all the time. His punch is a stinger and will make any one who connects with it take the proper notice."

HEED THE WARNING.

Many Medford People Have Done So.

When the kidneys are sick they give unmistakable warnings that should not be ignored. By examining the urine and treating the kidneys upon the first sign of disorder, many days of suffering may be saved. Sick kidneys excrete a dark, ill-smelling urine, full of "brick dust," sediment and painful in passage. Sluggish kidneys cause a dull pain in the small of the back, headaches, dizzy spells, tired, languid feelings and frequent rheumatic twinges.

Doan's Kidney Pills are for the kidneys only; they cure sick kidneys, and rid the blood of uric poison. If you suffer from any of the above symptoms you can use no better remedy.

Sell that property for its real value by finding the buyer who NEEDS it. The man who buys always for speculation thinks always of taking advantage of your anxiety to sell—but the man who NEEDS YOUR PROPERTY will pay a fair price, and BE GLAD TO DO SO. He'll be found. He reads ads. He misses some of them, too. But—he reads again the next day, and the next, and the next. He will find YOUR AD IF IT IS "THERE" WHEN HE LOOKS FOR IT.

Medford people recommend Doan's Kidney Pills.

Mrs. Jennie Sevey, 1023 Ninth St., Medford, Or., says: "I first used Doan's Kidney Pills while living in Idaho. I had suffered a great deal from kidney trouble and I was subject to severe attacks of pain in the small of my back. The kidney secretions also passed irregularly and showed that my kidneys were at fault. Doan's Kidney Pills relieved me promptly and finally effected a cure. I am now in good health and my kidneys do their work as they should."
