

## IN MEDFORD'S SOCIAL REALM

The Grand Forks Evening Times contains the following account of the wedding of John H. Carlin of this city:

As the clocks struck the hour of high noon today a beautiful wedding took place at the home of Mr. and Mrs. N. E. Turner in Reynolds. At that hour and just as the sweet notes of the wedding march died away, Mr. Turner gave in marriage to John Herbert Carlin of Medford, Or., his youngest daughter, Vida May, the Rev. Roy J. Hicks of that city performing the ceremony and using the impressive ring service of the Methodist church.

The wedding was a most perfectly and handsomely appointed home affair and the invited guests, numbering about forty, included only the family relatives and a few of the bride's most intimate girl friends. With an abundance of pink and cream roses and pink peonies effectively arranged in large bowls and tall vases the home was converted into a veritable paradise of summer fragrance and beauty and for the assembling place of the bridal party a large arch of Oregon ferns and pines was arranged in the living room.

Just before the ceremony Mrs. J. C. Hotaling of Minneapolis, sister of the bride, sang "When Song Is Sweet" and at its close Miss Mabel Henry at the piano sounded the sweet notes of the Lohengrin bridal chorus, which told of the approach of the bride and her attendants. The bridesmaid, Miss Edith Andrews, of Hood River, Or., followed by the bride on her father's arm, descended the stairs and entered the living room, where they were met before the bridal arch by the groom and his best man, George Gladen of this city. Following the ceremony, Mendelssohn's wedding march was played and Mr. and Mrs. Carlin received the congratulations of the house guests.

The bride's wedding robe was a gown of soft cream satin made en train and trimmed with overlace and pearls, and she carried a graceful arm bouquet of cream roses. The bridesmaid wore a dainty gown of pink and carried pink roses.

A delicious and prettily appointed three-course wedding luncheon was then served with a bevy of charming high school girls. As her going-away gown, Mrs. Carlin will wear a tailored suit of gray with accessories to match, and this evening they will leave for a trip through the south, stopping at Omaha, Salt Lake City, Los Angeles, and other coast cities. After August 1 they will be at home at Medford, Or., where Mr. Carlin is a successful practicing attorney.

Last Saturday evening a progressive dinner was given by Mrs. Edgar Hafer and Mrs. Charles Brown. These ladies are members of a card club, and as the losers were to entertain the winners, they chose this way of carrying it out. The first two courses were served at the home of Mrs. Brown, the decorations being lavender sweet peas. The party then motored to the home of Mrs. Edgar Hafer, where the remainder of the dinner was served. Mrs. Hafer's decorations were La France roses. After dinner the evening was spent in music and dancing. The guests were: Dr. and Mrs. Stokes, Mr. and Mrs. Dunlop, Mr. and Mrs. Charles Brown, Mr. and Mrs. Edgar Hafer, Mr. Howard Dudley.

The second meet of the Southern Oregon Tennis association was held at Talent, July 12 and 13, and the clubs of Medford, Grants Pass and Jacksonville were well represented. In the finals Medford won in the mixed doubles, Grants Pass in men's singles and doubles and Talent in men's singles. The officers for the coming year were elected, Professor Ayer of Talent being chosen president, succeeding J. D. Beeson, and J. Percy Wells of Jacksonville secretary and treasurer, to succeed Miss Christian McLean of Grants Pass.

The wedding of Mr. Carl W. Heilbroner of the Hutchinson & Lumden company to Miss Blanche Toft was solemnized at the home of the bride's parents, Mr. and Mrs. F. W. Toft, on North Holly street, Monday evening. The ceremony was performed by Rev. W. F. Shields and was a quiet home wedding. The happy couple are at home to their friends at their new home on Orange street.

### RELIGION IS TOO MUCH FOR NEGRO; KILLS 4

Shouts He Is Prepared to Send All Sinners to Hell and Proceeds to Shoot Every One in Sight—Officer, While Dying, Kills Maniac.

TAMPA, Fla., July 16.—Four persons are dead, one seriously injured and Policeman Hayman is dying today as a result of an attack of religious insanity which wrecked the brain of Will Ellison, a negro, last night.

Ellison shot and killed his mother-in-law, Cecil Bryant; Rev. Jesse W. Avery of the First African Methodist church; Henry Clark, the negro organist, and seriously wounded his wife, all of whom were in the negro church at prayer. After completing his deadly work the demented negro staggered out of the house of worship, shouting that he was prepared to send all sinners to hell.

He found a horse tied nearby. Mounting it, Ellison started riding out of town at breakneck speed. He encountered Officer Hayman, whom he proceeded to shoot. The first bullet found lodging in the police-

man's breast and he fell, mortally wounded, not, however, until he had returned the black man's fire.

A posse was quickly formed and the negro found lying in a clump of bushes on the outskirts of the city. He was unconscious. He was rushed to the city jail to escape the mob. The negro died a few minutes afterward. He had drunk a bottle of gin, in which he had mixed a quantity of strychnine.

### SPAIN READY TO COPE WITH REVOLUTION

Garrisons of All Larger Cities Are Being Doubled Ready for Revolts Which Are Expected to Follow the Conference of King Alfonso.

MADRID, July 16.—The garrisons of the leading cities of Spain are quietly being increased today in anticipation of revolts expected to occur following the conference arranged between King Alfonso and the cabinet tomorrow.

Barcelona is the principal scene of unrest and the most serious apprehension of a revolutionary uprising there is felt by the Spanish authorities. Rebels have been active in Bilbao and other cities, spreading the anti-clerical propaganda and urging a united front against the rule of the hierarchy.

General Weyler, formerly captain-general of Cuba, where his reconcentration methods earned him the title of "the butcher," is in command of the loyalist forces. It is probable that at the first sign of trouble he

will declare martial law and throw large forces of troops into the disturbed cities.

The cortes still is considering the bill introduced by Premier Canjelas and signed by the king, refusing to admit any more religious orders into Spain under a concordat between Spain and the vatican is agreed upon.

The people suspect Alfonso of insincerity in signing the bill and they are prepared to resent his action, should he endeavor to prevent its passage. There is strong suspicion that the purpose of the conference tomorrow is to devise ways for frustrating the desires of the people.

### WARS AND NEAR WARS GROWING IN SO. AMERICA

Revolutionary Leaders in Nicaragua and Honduras May Combine Forces in Order to Succeed in Overthrowing Present Regime

NEW ORLEANS, July 16.—That a double revolution will be soon under way in Central America with the revolutionary forces of two countries is the belief in the South American colony here following the receipt today of private dispatches from Nicaragua and Honduras.

Former President Manuel Bonilla of Honduras, who is ready to attempt a revolutionary movement in his own country, and Juan J. Estrada, provisional president of Nicaragua, are reported to have formed a pact for the overthrow of Acting President Jose Madriz of Nicaragua and President Davilla of Honduras.

Madriz and Davilla are friendly and it is expected by Central Americans here who are in close touch with the situation that they will combine their forces in case of a joint attack.

The belief that the two revolutionists will combine is strengthened by the statement of Consul Sussman, representing Estrada, that the steamer Urstein, which cleared from Mobile yesterday and which was reported to have a cargo of arms and supplies for Bonilla, is really carrying supplies to Estrada. It is said here that the munitions, while ostensibly intended for Bonilla, are being sent to a Nicaraguan port, probably Bluefields, where Bonilla's army will be gatered, and that the two revolutionists will make a joint attack on Managua. Bonilla has offered to lend aid to Estrada, and it is generally believed that an agreement has been reached between the two.

It is pointed out that Estrada has delayed following up his recent victory at Bluefields and that it is highly probable that he has been waiting for reinforcements from Bonilla.

In the Nicaraguan revolution neither side has had sufficient force for a successful, aggressive campaign and each army having crossed the country to carry the fight into the territory of the other, has been defeated. If Estrada and Bonilla become allies and have sufficient force to make an aggressive campaign, it is thought here that Madriz would be overthrown. The only hope of defeating the joint army, it is said, would be help sent from Davilla to Madriz. It is not believed the help could be sent quickly enough to check the campaign.

With a victory in Nicaragua, it is believed the combined revolutionary forces could invade Honduras, securing the co-operation of most of the Madriz troops.

### NEITHER SIDE WEAK; STRIKE IS EXPECTED

Within 48 Hours It Is Believed That Nearly All of the Roads in Pennsylvania Will Be Tied Up by General Strike of Trainmen.

PHILADELPHIA, Pa., July 16.—With officials of the trainmen declaring they will not be surprised if a strike on the Pennsylvania system is called within 48 hours, and with officials of the road firm today in their determination not to yield to the demands that have been made, while the only hope of peace, as both sides forecast the situation, is the result of a conference between General Manager Peek, of the lines west of Pittsburg, and the men there, there seems little outlook for a settlement of the dispute.

The action of the directors of the road yesterday in supporting the action of the executive officers is regarded by the trainmen as virtually the issuance of an ultimatum. The railroad officials are preparing for an emergency and a final break may occur at any time.
