# 200 CARS OF PEARS SHIPPED

Heaviest Output of Bartletts Go Forth From California-Fruit Is of Good Size and Fine Quality -Good Prices Paid.

SACRAMENTO, Calif., July 20 .-The heaviest shippment of Bartlett pears of the season from Sacramento river district went forward this week ment from the Sulsun and Valcaville district. The pears are of good size, fine quality and free from defects. ' The pears chipment so far this season has been about 200 cars.

Warm weather recently has injured the frape crop as much as 25 per cent in some districts, but only sligetly in others. Three will however, be plenty of grapes le't for shipment. Fontainbeaus are moving and black varteties will start within a week.

Early varities of plums are gone, but there will be a large movebent ready within a few days. The principal varities moving and which will move in the next week or so include Red, Sugar, Gos, Kesley, German, til top notch prices are reached. Fallenberg, Quackenbos, Imperal and Grand Duke. The season's shipments have exseeded 250 cars.

Crawford peaches are moving and and Suspuehannas will be ready for

Cherry shipments are ended, the movement aggregated 250 cars.

### TO STOP RING FIGHT IN LOS ANGELES CITY

LOS ANGELES, Cal., July 19. Following the recommendation by the legislative committee of the proposed anti-boxing ordinance, the city council today is planning official consideration of the measure that may put an end to the limited round no-decision boxing bouts in Los Angeles.

# WASHINGTON APPLE CROP 6500 CARS

Most of It Will Go to Eastern Mar kets-Good Prices Are Expected by Growers.

SPOKANE, Wash., July 20 .- Commercial orchardists in Washington estimate the apple crop in this state this season will be between 3,400, 000 and 3,500,000 boxes, or about 6500 cars, the bulk of which will go to New York, Boston, Philadelphia, and will be followed by a free move- Chicago, St. Paul and other points in eastern, central and southern states. Export shipments will also be larger

Though there is every promise that the yield will be the best ever harvested in Washington, owing to climatic conditions and the fact that hundreds of thousands of trees are coming into bearing this secson, growers and landlers say there will be no cheap apples next fall and winter. The orchardists are in position, financial and otherwise, to hold a big percentage of the crop, and many will take adventage of the market, because of the curtailed production in the central states, by holding their Giatt, Diamond Wickson, California fruit not already contracted for un-
