Over 700 Local People Witness the First Races in Medford—Race Is Tie Between St. James and Lalouze—Most Enjoyable.

Over 700 people witnessed on Saturday night the first swimming race held in the tank of the Medford Natatorium.

The race was swam in heats. Raleigh St. James of Kansas City and Robert Palouze of Medford outclassed their competitors and were called upon to face the starter for the final heat. Palouze, who is a youngster of 14 years, did not go to the end of the tank, but won by about the distance he cut off, and as he was on the inside the judges decided to call the race a tie. Both swam with an overhand stroke the entire distance, and considering the fact that the contestants had raced the length of the pool within an interval of ten minutes, the time of 59 seconds was good for amateurs in deal water.

The professional record for the distance is 25 seconds and is held by C. M. Daniels.

Other entrants were: Dynborg, Wolters, Penninghovel, Ross and Paxton.

## CREDITORS OF BUTT MEET

First Meeting Held and William Ulrich Is Named Trustee—Is Now Engaged in Taking Inventory of Stock.

The creditors of George A. Butt, the west side jeweler, who recently went into voluntary bankruptcy, have held their preliminary meeting, and William Ulrich has been appointed trustee.

The claims against the bankrupt total \$3800, and it is believed that his stock will run to about \$4000. Trustee Ulrich is now taking an inventory of the stock, after which sealed bids will be asked.

William I. Vawter represents the creditors, who are for the most part San Francisco wholesalers, while Fred W. Mears is appearing for the bankrupt.

## OHIO POLITICS CLEAR AS MUD

With Convention But Two Days Off, Even Machine Men Cannot Dog Out Situation—Burton and Cox to Confer—May Clarify Matters.

CLEVELAND, O., July 23.—With the Republican state convention but two days off, the gubernatorial situation is as clear as mud. The latest developments indicate that the situation will remain unsettled until at least three or four ballots have been taken.

The campaign of former Secretary of the Interior Garfield has so muddled up things that even the machine politicians are bewildered. United States Senator Burton and George B. Cox, the "big boss" of Ohio politics, will be on hand tomorrow to confer. If the conference clarifies things, three organization candidates, Warren Harding, C. A. Thompson and Judge Orrin Brown, the Cox proteges, will race until the balloting anyway. It is generally believed, however, that Harding's chances are best. He was formerly lieutenant-governor.
