LITTLE CHANGE LOCAL MARKETS

Home-Grown Produce is Supplying the Market. But Prices Still Remain Strong—Cantaloupes and Watermelons Coming In.

The prices for "garden sass" still hold up, and there has been little or no change in the market for local produce.

Cantaloupes at 50 to 75c per dozen, watermelons at 15 to 40c, string beans at 4c the pound, tomatoes at 4c are showing in fair quantities, and a change in the prices may be expected before the end of the week, especially as regards the melons.

Apricots are practically out of the market. Creamery butter has gone up 5c.

WIFE SHOOTS HUSBAND, THEN SHOOT HERSELF

SAN FRANCISCO, Cal., Aug. 1.—Mrs. Otilia Fraser is dying today and her husband, Joseph Fraser, so severely wounded that he may not recover as a result of a quarrel in a downtown hotel. Mrs. Fraser shot her husband, inflicting two wounds. She then tried to end her own life. A threat on the part of her husband to bring a divorce suit is said to have been the cause of the shooting. Physicians today say the woman cannot recover.

SHIPMENT BARTLETT'S SHOW SLIGHT DROP

The following gives number of cars of deciduous fruit shipped from all points in California for the week (seven days) ending Friday morning, July 29, 1910, as compiled by the California Fruit Distributors:

Peaches, 344 3/4 cars.—Another heavy gain in the shipment of peaches is shown this week. Large quantities have been sold in the f. o. b. territory and the demand continues all that could be desired. Auction markets also are doing very much better. Heavy shipment has now been made and it is expected that receipts will drop off quite rapidly from this time on until Salway season opens about the middle of August. We are now handling some of the largest and finest Clings produced in the state, and we wish to direct special attention to them, as nothing finer can be had. Try some of them and see if you have not been missing one of the best products of the state.

Plums, 120 3/4 cars.—As expected, movement of this fruit has fallen off materially and will continue to decline for the next week or ten days. Giant, Gros, Hungarian, Kelsey and Grand Duke are practically the only varieties now available.

Pears, 380 cars.—Shipment of this variety shows a slight falling off, but not nearly so much as was expected. It may be stated that the Sacramento river section is now done and by far the greater portion of the shipments are coming from outside points, where the crop is rapidly nearing its close. The quality of the fruit was never finer.

Grapes, 57 3/4 cars.—Thompson seedless grapes are now going forward in considerable quantities and there have been a few cars of Rose of Peru sent out. Some Malagas from the earlier sections have also gone forward. Movement of all these varieties will show considerable increase during the coming week.

Weather.—Weather conditions have remained very favorable since our last report. All fruits are developing finely and grapes in particular promise to be of unusually good quality. There is no question but that the crop of Tokays has been shortened materially by the very hot weather that we had earlier in the season. It is impossible at this time to accurately estimate the amount of damage, but it will certainly have its effect on the output.

Medford, Oregon: This certifies that we have sold Hall's Texas Wonder for the cure of all kidney, bladder and rheumatic troubles for ten years, and have never had a complaint. It gives quick and permanent relief. Sixty days' treatment in each bottle. Medford Pharmacy. tf

QUIET RESTORED BY TEXAS TROOPS

Rangers Patrolling Scene of Race Riots—Eighteen Dead Negroes Buried, Many More Slain—No Whites Have Been Killed.

PAESTINE, Texas, Aug. 1.—Though quiet has been restored at Elkhart and Slocum, where race rioting occurred Saturday, troops are today patrolling the section to prevent a recurrence of disorder. Eighteen negroes, shot down by whites, were buried yesterday, according to reports received here today, and it is believed that many others were killed. Some estimates place the number of blacks shot to death as high as forty. Twenty others, it is said, were fatally wounded. No whites were killed, according to latest reports.

The section where the rioting occurred is being patrolled by rangers and by a company of cavalry sent from Austin. The blacks are panic-stricken and are in hiding, while the whites are inflamed and it is feared that the race war may break out again.

The Anderson County grand jury has been summoned and will begin today an investigation of the whole affair. Four whites have been arrested in connection with the shooting, and this has further incensed the white population.

CITY ELECTION TOMORROW

Five Amendments to the Charter Will Be Considered by Voters—New Measures Will Simplify Improvement Work by Council.

Five amendments to the city charter will be considered by the voters of the city at a special election to be held tomorrow. The amendments for the most part simplify work on the part of the council in regard to city improvement work. The titles of the amendments are: An amendment to the charter of the city of Medford authorizing the re-assessment of property specially benefited by street improvements, sewers or water mains, for the cost thereof in cases where the original assessments levied for the cost thereof are for any reason void or defective.

An amendment to the charter of the city of Medford providing for the assessment on property specially benefited of the cost of opening or widening streets in the city of Medford, and providing the manner of opening or widening streets and the levying of such assessments.

An amendment to the charter of the city of Medford providing for an annual tax levy for the maintenance of a free public library in the city of Medford.

An amendment to the charter of the city of Medford, amending section 100 thereof, providing for the issuance of bonds otherwise authorized by said city for a period of not exceeding thirty years.

An amendment to the charter of the city of Medford providing for the assessment of property abutting on trunk water mains and trunk sewers heretofore or hereafter constructed by said city for a portion of the cost thereof, not exceeding the cost of a suitable lateral water main or sewer for said property, and authorizing the use of said trunk water mains and trunk sewers by the owners of said abutting property for lateral purposes.

MAY GO TO PRISON FOR STEALING TWO APPLES

RENO, Aug. 1.—For the theft of two apples, William Wagner will have to stand trial on a charge of petty larceny and perhaps box-car robbery, which is a felony. Wagner was arrested by Southern Pacific detectives while in a car of merchandise. He claims that he went into the car to sleep, and that it was locked while he was asleep. On awakening he was both thirsty and hungry, and for that reason took the two apples from the box.

If You Have Business Tact SHOW IT IN YOUR ADS

If you seek employment in any kind of business establishment, make your "situation wanted" advertising campaign so persistent, so business-like, that it will impress the business man as a valuable credential for you, of itself. To claim business ability, and fail to show it in your want advertising, is absurd. Good advertising will get you a good job.

BUTTE FALLS TO INCORPORATE

Petitions Are Now Being Circulated—Will Be Considered at September Term of County Court—Many Towns Incorporating.

The residents of Butte Falls are now circulating petitions, which will be presented to the county court in September, asking that that place be incorporated. Neff & Nealey are now at work drawing the necessary papers.

Butte Falls follows a number of other towns in the county which have recently been incorporated. At the September term the application of Talent will also be considered.

EXPECT BIG CROWD AT CELEBRATION

CHICAGO, Ill., Aug. 1.—The police and local hotel men are completing arrangements for the accommodation of at least 300,000 visitors due in the Knights Templars conclave which begins August 8. Chief of Police Stuart has invited the police departments of nearly every large city to send details of detectives to aid in protecting the visitors from robbery.

The hotels announce that they can easily accommodate 300,000 visitors and will be prepared for that number.

To sell it cheaper than any one else is important store advice. If you let the people know about it, you'll get them interested in your store—scores of them, who only "know" where it is now.
