**GREAT MAJESTIC RANGE**

THE ONLY RANGE IN THE WORLD THAT COOKS PERFECTLY EVEN THROUGHOUT.

IS THE MOST WONDERFUL AND PERFECT COOKING APPARATUS IN THE WORLD TODAY ASIDE FROM ITS PERFECT AND UNIFORM COOKING QUALITIES (AND FOOD MUST BE PERFECTLY COOKED TO BE THOROUGHLY WHOLESOME), THE MAJESTIC LASTS MANY TIMES AS LONG AND CONSUMES LESS FUEL THAN ANY RANGE MADE. Prof. Becker will demonstrate the thorough and even baking of this range by putting cake, biscuit, pies, etc., in a pan that FILLS the oven and cook them and brown them perfectly uniform without turning the pan. If he can do this, you can do it, too, on a Majestic Range, but on no other.

Prof. Becker lectures to his hearers while he prepares the food, explaining it in every detail and gives his recipes for all his dishes so that any lady who attends can prepare and cook every dish he makes. He will gladly answer any question asked by the ladies relative to the preparation and cooking of any dish.

**Everybody Welcome**
