1910, by the following vote: Merrick aye, Welch no, Wortman aye. Emerick absent, Eifert aye, Demmer ave. Approved August 3d, 1910.

W. H. CANON, Mayor. Attest: ROBT, W. TELFER,

Recorder. ORDINANCE NO. 365.

An ordinance authorizing the entering into a contract on behalf of the city of Medford, Oregon, for improving, curbing and paving certain streets of said city, with the Clark & Henery Construction Company, a

The city of Medford doth ordain as follows:

Section 1. The mayor and recordof the city of Medford are hereby authorized and directed to enter into a contract on behalf of said city, with the Clark & Henery Construction Company, a California corporation, in the following form, and said hereby expressly ratified, authoriz- have caused these presents to be sigt

This agreement, made and entered officers and their respective corporat into this. Clark & Henery Construction Company, a California corporation, hereinafter called the contractor, party of the first part, and the City of Medford, Oregon, a municipal cor-poration existing under the laws of the state of Oregon, party of the second part, hereinafter called city,

Witnesseth: That the said contractor, for and in consideration of the payments to be made and cove-nants to be kept by the city hereinafter set forth, does hereby covenant and agree to furnish all materials and do all the work of excavating, filling, paving, curbing, and installing inlets, catch basins, monument cases, meter boxes, pipe and all other work and materials herewith on the streets and portions of streets, and for the widths hereinafter specified:

Bartlett street from Main street to Eighth street, for a width of 40 feet. Eighth street from Fir street to Oakdale avenue, width of 40 fect. Ivy street from Main street to Sixth street, width of 40 feet. Second street from Holly street to

west city lin.its, width of 30 feet. Oakdale avenue from Fourth street to Palm street, width of 30 feet. Grape street from Eighth street to south city limits, width of 40 and

36 feet. South d'Anjou street from Eighth street to Twelfth street, width of 38 and 36 feet.

Bartlett street from Sixth street to Jackson street, width of 40 and 36 Said work shall be done in accord-

ance with the general specifications for said work heretofore prepared by the city engineer of said city. which are now on file in the office of the city recorder of said city, and he paving shall be laid with a fiveinch concrete base and a one-inch asphaltic binder and a two-inch asphaltic wearing surface, which said payement shall be laid and work done in accordance with the specifications therefor, heretofore submitted by the contractor to the city which specifications are now on file in the office o: the city recorder of said city. Provided, however, that that portion of the general specifications submitted by the city engineer which relate to maintaining the pavement for a period of five years shall be considered stricken from said specifications and be no part there-

The contractor agrees to perform all of said work in a first-class workmanlike manner under the direction and supervision of the en gineer of said city, provided that in case of any misunderstanding or disagreement between the contractor and said engineer as to the interpretation of the specifications the matter shall be referred to and deter-

CITY NOTICES.

the city, the city agreeing to promptly designate the streets to be imof the center line of West Fifth proved and in the order thereof, so as not to delay the contractor in said

In consideration whereof, the city agrees to pay the contractor for such work and materials at the following prices, namely:

For excavation, per cubic yard, 51 cents. For curved, concrete armored curb, per lineal foot, 40 cents.

For straight concrete curb, per lineal foot, 40 cents,
For combination concrete curb and
gutter, per lineal foot, 64 cents.

For concrete gutter only, against ex-

isting concrete curb, per square

foot, 19 5-9 cents. For pavement, consisting of 5-inch concrete base, and 1-inch asphalt-ic binder and 2-inch asphaltic wearing surface, per square yard, \$1.76.

For furnishing and laying 6-inch cast iron pipe, per lineal foot, \$1.00. For furnishing and laying 6-inch vitrifled sewer pipe, per lineal foot,

For furnishing and laying 8-inch cast iron pipe, per lineal foot, \$1.35. For furnishing and laying 8-inch vitrified sewer pipe, per lineal foot,

Catch basins, each, \$21.00. Standard monument cases, each, Standard Meter boxes, each, \$3.75.

65 cents.

The contractor shall look for pay-ment only to the fund reserved, collected and paid into the city treasury for that purpose, and will not require the city of Medford by any legal process or otherwise, to pay the same Section 2. That said ordinance No. 133 be further amended by adding city shall fail or neglect to provide such funds by valid assessments upor Section 28. It shall be unlawful property affected. Upon the comple tion of the improvement upon any one street, avenue or alley, according or hereafter erected within said fire to the contract, the city shall forth with accept the work done and per formed by the contractor and this contract shall be to the extent of the work done and performed considerered consummated, and the city shall forthwith proceed to create the lien provided for by law upon the property benefited by such improvement, unless such assessment shall have been previously created and levied.

The contractor shall receive warrants to the amount of eighty (80) per cent of the work completed each month, and warrants for the balance of twenty (20) per cent shall be issued upon the completion of the contract; said warrants to be redeemed from the sale of improvement bonds, or from the money paid into the particular fund upon which said

warrants are drawn. The contractor hereby agrees to furnish a bond for the faithful performance of this contract, to be approved by the city council of said city, for the sum of guaranteeing in proper form the faithful performance of this contract and further indemnifying the city of Medford against any claims or liens for labor, work or material, on ac-

count of sub-contractors, material men, laborers, and mechanics, furnishing labor or material on this contract. In witness whereof, said partie ed in duplicate by their respectiv

seals to be hereto affixed, this day of 1910.(Seal) (Seal) Attest:

The foregoing ordinance was passed by the city council of the city of Medford, Oregon, on the 2d day of August, 1910, by the following vote: Welch aye, Merrick aye, Emerick absent, Wortman aye, Effert aye, and Demmer aye.

City Recorder.

Approved August 3d, 1910. W. H. CANON, Mayor. ROBT. W. TELFER.

City Recorder. RESOLUTION.

Be it resolved, by the city council of the city of Medford:

The recorder of the city of Medford is hereby directed to advertise for sale the certain \$32,750 of the improvement bonds of the city of Medford authorized to be issued by ordinance No. — of said city, said advertisement to be published at least three times in the Medford Mail Tribune, a newspaper of general cir-

ulation in said city. Said advertisement shall announce that said bonds will be sold to the highest bidder therefor, bidding not less than par and accrued interest. It shall require all bids to be submitted to the council in writing on or before August 16th, 1910, at 5 o'clock p. m., and said advertisement shall be published three times in said paper in the issues of August 3d,

The foregoing resolution was passed by the city council of the city of Medford on the 2d day of August, 1910, by the following vote:

Merrick aye, Wolch aye, Wortman aye, Emerick absent, Eifert aye, Demmer ave.

Approved August 3d, 1910. W. H. CANON, Mayor.
