PEOPLE'S PULPIT...

Sermon by CHARLES T. RUSSELL, Pastor Brooklyn Tabernacle.

The Desire of All Nations.

"I will shake all nations, and the desire of all nations shall come" (Haggai ii, 7).

July 31.—Colonel, N. Y.—Today at this place Pastor Russell of Brooklyn Tabernacle addressed the International Bible Students Association—about 4,000. He said:—

The great Messiah, "King of Glory," has long been waited for by the civilized nations. For thirty-five centuries the Jews have waited for him as the great Prophet foreshadowed by Moses and foretold by him (Acts iii, 22); and as the Great King foreshadowed by their Kings David and Solomon; and as their glorious Priest typified by Aaron, but specially in the former's majesty as king and priest foreshown by Melchizedek—a priest upon his Throne (Psalm cx, 4).

Free masons have waited twenty-five hundred years for the same glorious personage, as Hiram Abiff, the great Master Mason whose death, glorification and future appearing are continually set before them by the letters upon their keystones. He died a violent death, they claim, because of his loyalty to the Divine secrets typed in Solomon's Temple. He must appear, they claim, in order that the great antitypical Temple may be completed and its grand service for Israel and for all peoples may be accomplished. They claim that his presence is to be expected speedily.

Christians of every shade, in proportion as they are conversant with the Bible (Old Testament and New) believe, also, in a great Temple builder who died because of his faithfulness to the Divine plans, re the spiritual Temple, the elect Church (I Peter ii, 4, 5). Him they expect to come a second time "in power and great glory" to complete the Temple which is his Body, and in and through that spiritual and glorious Temple to bless Israel and all the families of the earth. His second presence in glory and power, but invisible to men, is believed to be imminent.

The Mohammedans, also worshipping the God of Abraham, Isaac and Jacob and David and Solomon, are also expecting a great Heavenly Messenger to bless them and all peoples by the establishment of a heavenly Kingdom. They have awaited his coming for centuries. They believe his Kingdom to be near at hand.

Who is This King of Glory?

The same glorious personage will fill all his these desires—these hopes. It is not time that all of these peoples, fearing God and hoping in his promises, should come together in one hope, in one expectation? It must be so, for do we not read prophetically, "The desire of all nations shall come?"

We are well aware that great barriers lie between these multitudes; but we hold that they are chiefly barriers of superstition and ignorance. In the past they have pulled apart, and have slandered and persecuted one another. If now they will sympathetically draw near to each other, surely they will find much to appreciate in each other's hopes and aims.

The Basis of Sympathy. The fact that the Jews and Mohammedans, Catholics and Protestants and Free Masons, all base their faith on the Old Testament of the Holy Scriptures, is ground for the better understanding pleaded for.

All Christians must accept the authority of the Hebrew Scriptures because the founder of Christianity, Jesus, and his special mouthpieces, the Apostles, taught nothing contrary to the Law and the Prophets. Indeed, they quoted from the Old Testament in proof of every doctrine advanced. They claimed that they neither destroyed nor ignored the Old Testament, but merely noted its fulfillment.

The error in the past has been the general disposition to appeal to superstition and prejudice and bigotry, rather than to facts and Scripture. We must reverse the lever in order to attain the good results—in order to see eye to eye.

What All Can Agree To.

All agree that the world needs the Divine blessing! All agree that we have been laboring under a mistake in supposing that education and civilization are alone necessary to secure human happiness. We perceive that the greater the civilization the greater is the unrest; and the broader the education the greater are the suggestions and opportunities for taking selfish advantage of others.

All are agreed that only the later inventions, telephones, etc., and our modern and costly police precautions make it possible to live in civilized lands and that, despite all these, murders are a hundred-fold what they were fifty years ago. In those days a murder would be detailed and discussed for a year. Now we give little heed to several reported in each day's newspapers. Thousands are executed, other thousands are imprisoned for life and we pay little heed—so gradually have we become accustomed to these horrors of our civilization and education.

We oppose these with Church and mission influences, with Sunday

Schools, Y. M. C. A.'s, with courts, Juvenile and Superior, and yet they increase. We penalize the carrying of weapons and bombs and wisely prohibit inflammatory speeches; and the better informed know that Christendom is like a powder-magazine which some unlucky friction between the classes may any day explode.

All Hopes Really One.

Admitting that all mankind are imperfect, "born in sin and shapen in iniquity," we nevertheless cannot assent to the doctrine of Total Depravity—that there is nothing good in any man; or in all men. Each one who prays "forgive us our trespasses as we forgive others" should concede that others, as well as himself, would prefer righteousness to sin, if the environment were different—if his appetite were not so perverse, if his will power were not so inadequate. So, then, whether Jew, Mohammedan, Catholic, Free Mason or Protestant, do we not all really desire the one thing? And do we not admit, after centuries of endeavor along different lines, that God alone can send us the aid which the whole world so greatly needs? We do!

Let us now formulate this "desire of all nations" from those Holy Scriptures which we all acknowledge. Let us see that it is exactly what we all have been looking and praying for under different names: It is the Kingdom of God—the Kingdom of Allah! Its rule is to be "under the whole heavens" however heavenly or spiritual the great ruler will be (Daniel vii, 27). Under its beneficent and uplifting influence the glorious result will be that God's will shall be done on earth as completely as it is now done in heaven. This is exactly what the Scriptures declare—that sin and ignorance will be done away; that the knowledge of the glory of God's character will fill all the whole earth. It means a strong government exercised for the restraint of sin and for the freeing of mankind from slavery to sin—the slavery of inherited weaknesses entailed by Adam's disobedience. The great Heavenly King, the Son of David, who will do these things, according to the Law and the Prophets, will have many titles indicating various features of his greatness. "He shall be called Wonderful, Counsellor, the mighty Elohim, the Prince of Peace, and the Father (life-giver) of eternal life (Isaiah ix, 6).

He is called the Savior by the Prophet Isaiah (xlv, 15), for he shall "save from their sins" and from the penalty of sin all who shall become "his people." And all who will wickedly refuse his rule of righteousness and his assistance out of sin and death conditions will be esteemed "wicked" in the proper sense of that word; and of these we read: "All the wicked will be destroyed."

Love Righteousness—Hate Iniquity. We have had too much of hatred and persecution because of the differences in our degrees of knowledge as expressed in our differences of belief. Let this cease. Let us unite in our love for righteousness and in our hatred of unrighteousness—iniquity. Let us cultivate such a sympathy for the coming reign of righteousness to be established by Messiah (by whatever name he and his Kingdom may be handed down to us) that our characters shall be more and more influenced and transformed by the prophetic view. We are all agreed that Messiah's Kingdom is nigh, even knocking at the door of the world. In the wonderful inventions of our day we have the very foregleams of that Kingdom as outlined in prophecy. The necessities of the case also corroborate this: The tension between Capital and Labor will soon be to its limit and break; the grasp of monopoly will soon be so strong that the masses will be ground between the upper and the nether millstones; our high-tension living is calculated soon to have our race in the madhouse; specialists say, within one century. Let us believe the Word of God delivered by the prophets of old. Let us prepare our hearts for the Great King and know that such will have the chief blessing.

"He Must Reign—Until."

According to the Bible the reign of the promised Great King shall not be an eternal reign. Eventually the dominion of earth originally given to Adam and lost by disobedience and consequent incapacity, is to be restored to such of Adam's race as shall attain earthly perfection and Jehovah's approval. Messiah's Empire will be a Mediatorial one and, according to the Scriptures, will continue only one thousand years. But we are assured that the period will be quite sufficient for the great work to be accomplished. Father Adam, after being sentenced for sin—"Dying thou shalt die," experienced the dying process for 930 years. Contrariwise the world will, under the Messiah's rule as King and Priest (Melchizedek, Psalm cx, 4), gradually rise up, up, up, out of sin and death conditions during a very similar period of time.
