

### HAWLEY HAS HARD FIGHT ON HANDS

(Klamath Falls Express.)  
Congressman Hawley, from this district, appears to be up against it in seeking renomination for congress. Hawley is a machine politician, a standpatter, a follower and lackey of Speaker Cannon and Senator Aldrich. Hawley has stood in with the gang in order to get things for his constituents, going on the theory that it would please his constituents if he got things for them by robbing all the people by standing in with the trust barons.  
It is said Cannon is slated for slaughter by Taft, and if this should prove to be the case, Hawley's influence in the next congress would be nil. Hawley has fought the insurgents, and the indications are that the latter, with the Democrats, will control the next congress. Taft is drifting to the insurgent side, as he realizes their rising power, and

with the insurgents in control, what chance will Hawley have in the next congress to get things for his constituents?  
The best thing for the Republicans of this congressional district to do is to nominate and elect B. F. Mulkey to congress as Hawley's successor. Mulkey is an insurgent and a very able man; a brilliant orator and a constructive statesman. The Republicans of this congressional district could not do better than send B. F. Mulkey to congress to represent them.  
Insurgents is the order of the day. Iowa, Kansas and California have been heard from, and Oregon insurgent Republicans could not do better than follow the example of California and organize a Lincoln-Roosevelt league in this state and retire Hawley and Ellis to private life.

### GAYNOR IS SOON TO LEAVE HOSPITAL

HOBOKEN, N. J., Aug. 20.—Physicians at St. Mary's hospital today considered plans for moving Mayor William J. Gaynor to the Adirondak mountains or to his St. James, L. I., home, to recuperate. The mayor probably will leave the hospital within ten days.

The following bulletin on his condition was issued this morning: "The mayor slept and ate heartily this morning. Later he slept again. All symptoms are favorable. We consider him out of danger."  
The bulletin was signed by Dr. Arlitz and Dr. Stewart.

### NEW CHARGES MAY BE MADE AGAINST VAN LIEW

SACRAMENTO, Cal., Aug. 20.—It was given out at the governor's office today that the purpose of the conference of the Chico normal trustees yesterday afternoon would be that of another hearing on entirely new charges unless President Van Liew changes his mind about resigning. As the case now stands Van Liew cannot be discharged unless new charges are preferred and a new trial is had.

Van Liew was appointed for a year. Having been exonerated once by the trustees, he cannot be legally dismissed on the same charges from which he was cleared. His lawyers have advised him of the strength of his position.

### Fire in California.

NEVADA CITY, Cal., Aug. 20.—A great forest fire that has been burning for several days is still raging fiercely several miles east of here. Hundreds of men are fighting the flames.

Forest Supervisor Bigelow said today that he would wire for troops to-night to aid in subduing the conflagration if the fire is not then subdued. Several miles of valuable timber have been destroyed and the loss will reach a high total.

### CHANGES HIS MIND WHEN SEES JEWELRY

H. Jacobson was arraigned for being drunk before Judge Eifert Friday evening. He was fined \$7, and although he had more than the amount due, refused to pay. Saturday morning he was given the choice of paying the fine or working on the street with a ball and chain attachment. Still he refused, but on the way back to jail, where the jewelry was to be attached, he changed his mind and paid the fine.

T. C. Davis was drunk, didn't deny it and gave up \$5 to the city treasury.

H. K. Griffin had been before the court at a previous time and had a \$5 fine still standing against him. He has a family in Los Angeles, Cal., but he didn't send any money to them out of the wages he drew at the Gore ranch. Judge Eifert gave him a lecture and put him to work on the streets. He refused to work and was placed on the bread and water diet.
