

### MULKEY'S CUT NOT ON LIST

Candidates, Including Judge Mulkey, File Petitions Too Late to Make Advantage of State Election Campaign.

That many candidates did not make the election pamphlets issued by the state of much importance is shown by the number of those failing to take advantage of them, among them being B. F. Mulkey, incumbent candidate for congress, and L. Calkins, candidate for judge in the first judicial district.

Of candidates whose pictures will appear in the pamphlet this year are: George H. Burnett, John B. Cleary, Ralph Hoyt, O. P. Hoff, Jefferson Meyers, T. Brentano, Percy R. J. Bowerman, C. N. McArthur, O. M. Hickey, Albert Abraham, Herman, Alonzo Gesner, W. C. G. Sherman, Swank, George W. J. L. Henderson, J. G. Beals, Hart, S. A. Gruber, R. C. A. G. Steelhammer, A. J. Ford, H. D. Patton, A. W. Laf. James Schinook, A. C. Libbey, George W. Johnson.

Mulkey is but one candidate on the State ticket who filed his cut advertising matter within the period prescribed by law, this being before the filing of the petitions.

Mulkey's cut is the only one of the kind which has been so far advertised. The other candidates have not yet made arrangements for their pictures. Candidates on the republican ticket called to file in time to be included in the pamphlet are: B. F. Mulkey, candidate for representative in congress, filed August 20; Frank Mulkey, candidate for circuit judge in the first judicial district, August 15; Percy R. Kelly, candidate for circuit judge for the judicial district, filed August 15; Albert Hume, candidate for representative for the sixth district, August 16; S. P. Pierce, candidate for representative of the same district, filed August 15, and John Dourette, candidate for representative for the seventeenth district, August 20.

Although these candidates cannot be benefited by pamphlet advertising, they are allowed until September 3 in which to file their petitions. Several candidates do not desire to file and the arguments allowed under corrupt practices act, and in denying their petitions until such time as the law requires their filing. This date on until September 3, the secretary of state will commence in sending out election notices and literature to every county in the state. September 3 is the last date upon which all petitions for nomination of candidates for political party can be filed. Before the dates of the third and fourth next month the secretary of state is required by law to arrange names and information for the election in triplicate, filing one and registering one in the county.

### FOREST FIRE ON FEATHER RIVER

Flames Rapidly Advancing on Small Mining Town—Women and Children Alone Are Guarding Their Homes.

CHICO, Cal., Aug. 24.—Burning swiftly up the brushy canyons and heavily timbered north fork of the Feather river, a forest fire is rapidly advancing upon the small mining town of Maglia, or Dogtown, on the Sterling City railroad. Several cabins and other mine buildings have been destroyed. The main part of the town is directly in the path of the fire and a strong wind is sweeping down from Sawmill mountain, driving the flames rapidly toward the frame houses.

Every available man in the mountain section from Paradise valley to the Diamond Match company's giant mills at Sterling City is at the fire front. The women and children of the ranchers and miners along the river are guarding their homes.

Small backfires have been started and two of these have broken through control in the high wind. They have joined the main body of fire, making the fire area more than two miles in width.

### AMERICAN SHIPS SPEED TO PANAMA

PANAMA, Aug. 24.—While four American warships are speeding toward the little republic of Panama, Acting President Mendoza today is considering his place of the future regarding his candidacy for president of the republic. Mendoza, who is not acceptable to the Washington state department, promises to announce his plans within two days. The American warships will arrive in Panama waters Monday, it is reported.

The hesitancy of Mendoza to say whether he will be a candidate is thought to foreshadow his withdrawal from the race. Mendoza is a negro and his nomination and candidacy never has been officially recognized. He is thought to be as distasteful to the United States as was President Obaldia.

### INFURIATED STEER KILLS CHICAGO MAN

CHICAGO, Aug. 24.—Michael Burns, an employee of the Union stockyards, is dead as the result of his encounter with an infuriated steer in a stockyard pen. ### ONLY RAIN WILL HELP SAYS PENTZ

Judge S. S. Pentz of Butte Falls, who is spending the day in Medford, states that the fire situation is so bad that only rain will save the forests. The "unsurveyed" is being swept and settlers are fleeing to safety, deserting their cabins.

"The soldiers are doing heroic work," states Judge Pentz, "and have saved several houses situated in the forest wilds. A party of campers between Ginger and Butte creeks have not been heard of since the flames got into the district where they were camping, and it is feared they are lost.

"As I came out, Round Top hill was all ablaze. Fire was raging in the Gibbart place, north of Butte Falls, and the Little Butte region was being swept by flames.

"Four Bit creek, Cedar Swamp and other timbered sections are a mass of charred ruins. Only rain can control the flames.

Mrs. French said she has been an intimate friend of the copper magnate since she was divorced twelve years ago. She said Heinze had offered her a pension of \$150 a month, but that she had spurned the offer.

### MADRIZ IS TO VISIT MEXICO

MEXICO CITY, Aug. 24.—Jose Madriz, deposed president of Nicaragua, will visit Mexico during the national centennial celebration in September, duplicating the action of former President Zelaya, who also came to Mexico after his abdication in Nicaragua.

Previously Madriz announced that he would send a special representative. He was informed by the Mexican government that President Diaz would not accord the representative any favors, and the present's present attitude does not indicate that he will change his ruling, even though Madriz himself comes here. Efforts are being made by Americans here to impress upon Diaz that special honors to Madriz will be considered an insult to the United States.

### Murdock Tried.

SEATTLE, Wash., Aug. 24.—Victor Murdock, master insurgent, arrived from Bellingham today and went direct to his hotel and to bed, refusing to see any visitors. "I'm all in," said the Kansan on his way up town, "but I will see you boys this afternoon. A few hours' rest will fix me up."

Murdock looked worn and tired. He was compelled to call off an engagement to speak at the Kansas club picnic this afternoon, casting gloom over the Sunflower festivities. Tonight he speaks at the Alhambra theater in the interests of the candidacy of Miles Paindexter for the nomination for United States senator.
