ORDINANCE NO. 370.

An ordinance authorizing the entering into a contract on behalf of the city of Medford, Oregon, for improving, curbing, and paving certain streets of said city, with the Clark & Henery Construction Company California corporation.

The city of Medford doth ordain as follows:

Section 1. The mayor and recorder of the city of Medford are hereby the Clark & Henery Construction Company, a California corporation, in the following form, and said act by said mayor and recorder is hereby expressly ratified, authorized and confirmed: This agreement, made and enter-

ed into this day of . 1910, by and between the Clark and Henery Construction Company, a California corporation, hereinafter called the contractor, party of the first part, and the City of Medford, Oregon, a municipal corporation existing under the laws of the state of Oregon, party of the second part, hereinafter called the city. Witnesseth: That the said contractor, for and in consideration of the

payments to be made and covenants to be kept by the city hereinafter set forth, does hereby covenant and agree to furnish all materials and do all the work of excavating, filling, paving curbing and installing inlets, catch-basins, monument cases, meter boxes, pipe and all other work and materials herewith on the streets and portion of streets, and for the width hereinafter specified: Ross court from Main street to West Fourth street, width 26 feet, Said work shall be done in accord-

ance with the general specifications for said work heretofore prepared by the city engineer of said city, which are now on file in the office of the city recorder of said city and the paving shall be laid with a four-inch concrete base, and a one and one-half inch asphaltic binder, and a one and one-half-inch asphaltic wearing surface, which sad pavement shall be laid and work done in accordance with the specifications therefor, heretofore submitted by the contractor to the city, which specifications are now on file in the office of the city recorder of said city. Provided, however, that that portion of the general specifications submitted by the city engineer which relate to maintaining the payement for a period of five years shall be considered stricken from said specifications and be no

The contractor agrees to perform all of said work in a first-class workmanlike manner under the direction and supervision of the engineer of said city, provided that in case of any misunderstanding or disagreement between the contractor and said engineer as to the interpretation of the specifications, the matter shall be referred to and determined by the city council of said city.

The contractor further agrees that it will proceed with the work as designated by the city. In consideration whereof the city

agrees to pay the contractor for such work and materials at the following prices, namely:

RESOLUTION. Be it resolved by the city council of the city of Medford:

That it is the intention of the counil to assess against the property jacent to that portion of East Main street in said city lying between authorized and directed to enter into Roosevelt avenue and the easterly a contract on behalf of said city with city limits of said city the sum of one dollar and thirty cents per front foot for each foot of frontage of each parcel of property on said street as and for the payment of a portion of the cost of that certain trunk water main which has heretofore been laid by said city in said street, and which has not yet been paid for. amount represents in the opinion of the council that portion of the cost of said water main equaling the special benefit to said property that will result from the use of said trunk water main as a lateral water main of such size as would be needed by said property in case said water main were not so used, and said council proposes to permit the owners of said adjacent property to use the said trunk water main in said portion of said street as a lateral water main after the levying of said assessment. The council will meet in the coun-

cil chamber in the city hall in said city on the 6th day of September 1910, and will hear any protests against said assessment.

The city recorder is hereby directed to cause this resolution to be printed three times in the Daily Mail Tribune, a newspaper of general circulation in said city and by posting the same in five public places in said city, at least to a days before the date of said meeting.

The foregoing resolution was passed by the city council of the city of Medford on the 19th day of August, 1910, by the following vote:
