Over 2000 Men Thrown Out of Employment by Fires.

VANCOUVER, Wash., Aug. 26.—Five hundred persons are homeless, 2000 men are thrown out of employment, a number of sawmills are reduced to ashes and timber worth several hundred thousand dollars has been consumed as a result of the forest fire raging in Clark county, directly north of Vancouver.

Most of the fires are under control and it is believed that they will soon be extinguished by the hundreds fighting the blazes, should rain, which is promised, fall.

Vancouver's Commercial club will hold a special meeting tonight to devise special measures to aid those who lost their homes and means of livelihood on account of the conflagrations.

Although it is believed the men are safe, 250 mill employes caught behind a forest fire in the Twin Falls Logging camp have not been heard from up to 4 o'clock this morning.

Several small settlements, the largest of which was Shanghai, were destroyed by the fires.

AUCTION SALE

These pears were not peddled out to friends or to fancy dealers, but were put up at public auction and in competition with fruit from all over the world.

PRETTY STRONG PROOF

Of what the pear industry in the Rogue River Valley is. There are many good orchards in the Medford country, but certainly none better than

THE BURRELL ORCHARD

This orchard has for ten years been turning out trainloads of fruit. It has helped to make the reputation of the Rogue River Valley. (If it is not good, then none are good. There are 605 acres in the orchard. It is being subdivided and offered for sale. It is not being staked out into five and ten-acre blocks, but cut to suit purchasers. Solid blocks of apples or pears, or blocks containing both pears and apples can be had. There is not a poor variety on the ranch.

IF YOU ARE INTERESTED

Write us your wants. If we cannot suit you on the Burrell, then perhaps we have something else for you. Come to the Rogue River Valley and see for yourself. There is no other district just like it. There are many reliable real estate dealers in Medford and if we can't suit you, perhaps someone else can. We want good people to share our prosperity.
