Now. At least come and try on. This is "look-around time" and we are pleased to show you.

Architect and School Supplies

When in need of anything in the above mentioned lines, call here and inspect our stock.

ARCHITECTS' SUPPLIES—

Blue Print and tracing cloth, water color papers, etc.

DRAWING INSTRUMENTS—

For architects or for students in the manual training department of the public schools.

You'll find a splendid showing of drawing instruments at, per set \$1.00 AND UP TO \$7.50.

Remember, our circulating library—call and allow us to explain about it.

The Merrivold Shop

134 WEST MAIN STREET

Vance of the Vance-Anderson Mining, on Forest creek, have returned from company, who own and operate the San Francisco, where they spent property known as the Sturgis mine most of the summer, and will probably resume operations as soon as the fall rains swell the creeks. Haskins for health.

The time to change back to the derby or felt hat is here—and we're here, too, with the derbies and felts for you to change to.

Honestly, our derbies and soft hats are of such superlative design and excellence that we cannot do justice to their superiority in one short ad—all we can say is that they're "crowns" fit for the King of Mankind—the American Citizen.

\$1.50 to \$4.00.

Furnishings, too, of like quality and excellence.

Wardrobe

EYES GET TIRED

and need a rest, yet they must perform their duty. Had you been given REST GLASSES while in school you probably would not now need them for constant wear, if at all. Have your child's eyes looked after by DR. RICKERT and save eye troubles in future years.
