WYETH'S SAGE AND SULPHUR HAIR REMEDY

PROFIT BY OTHERS' EXPERIENCE

### Gray Hair Restored

My hair was getting quite gray and falling out rapidly and I was troubled with a terrible itching of the scalp. My head was full of dandruff, which fell upon my clothes and kept me continually brushing it off. While on a visit to Rochester I heard of your Sage and Sulphur for the hair. I got a bottle and used it. A few applications relieved the itching, my hair stopped falling out and gradually came back to its natural color. It is now a nice dark brown color, soft, glossy and pliable. Several of my friends want to use it, and I want to know what you will charge me for six bottles of it.

MISS E. A. ROSS, Sharon, Mercer Co., Pa.

### Grew Hair on a Bald Head

For two or three years my hair had been falling out and getting quite thin until the top of my head was entirely bald. About four months ago I commenced using Sage and Sulphur. The first bottle seemed to do some good and I kept using it regularly until now I have used four bottles. The whole top of my head is fairly covered and keeps coming in thicker. I shall keep on using it a while longer, as I notice a constant improvement.
